---	-------

MARKO CLEANER, DEODORIZER, and DISINFECTANT is a concentrated quaternary ammonium chloride disinfectant. It is non-inflammable, non-volatile, and non-staining in use dilution. Phenol Coefficient at 20°C AOAC METHOD S. typhosa-6 S. aureus-9

DIRECTIONS: Do not use with other cleaners. Cleaner, Deodorizer and Disinfectant contains its own powerful cleaners and detergents.

GARBAGE CANS, LAVATORIES, URINALS, FLOORS: Use 4-6 oz. per gallon of warm water. Let solution remain on the surface for several minutes for best results. **TO CONTROL MOLD ON WALLS, CELLINGS, ETC.:** Clean thoroughly with 4 to 6 oz. per gallon of water leaving some of the solution on the surface. **TO DISINFECT AROUND POOLS:** Apply 3-4 oz of C. D. D. per gallon of water to locker room and pool side floors.

CAUTION: It is a violation of federal law to use this product as a sanitizing rinse for eating utensils, glassware, and equipment. AS A SANITIZING RINSE FOR EATING UTENSILS, GLASSWARE, AND EQUIPMENT, run through hot water. **FOR ROUTINE CLEANING AND SANITIZING:** Mop with a solution of 2-3 oz. per gallon of water, wetting surface thoroughly and allowing solution to act for a few minutes, then rinse. **It is a violation of federal law to use this product inconsistent with its labeling.**

CAUTION: Avoid contamination of foods. Do not take internally. May cause skin irritation. Do not get in eyes. Get medical attention; if eye irritation persists. In case of contact flush with plenty of water.

STORAGE AND DISPOSAL OF CONTAINER

STORAGE: Store in a cool, dry area away from direct heat or cold. Store in original container. Keep container closed when not in use. If spilled or leaking, wipe up with rags and dispose of as specified under disposal.

DISPOSAL: Do not contaminate water, food or feed by storage or disposal. Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of federal law. If these wastes cannot be disposed of by use according to label instructions, contact your state pesticide or environmental control agency, or the hazardous waste representative at the nearest EPA office for guidance. To dispose of the container, triple rinse. Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities. If container is plastic, you may burn; if allowed by state and local authorities. If burned, stay out of smoke. Gallon jugs should not be reused, rinse thoroughly and discard in trash.

CAUTION—Keep Out Of Reach Of Children—CAUTION
