Date of Issuance:

JAN 18 2012

Term of Issuance:

Unconditional

Name of Pesticide Product:

ROOTAWAY™ Root Destroyer

NOTICE OF PESTICIDE:

- Registration
- Reregistration
(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

**Utility Manufacturing Company, Inc.
700 Main Street
Westbury, NY 11590**

Mailed to:

Steven Shuster
Purchasing Director

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

EPA received a label amendment request submitted by email on January 16, 2012. EPA grants this request under the authority of section 3(c)(5) of the Federal Insecticide, Fungicide and Rodenticide Act, as amended. With this accepted labeling, all requirements set forth in the Reregistration Eligibility Decision for Copper Sulfate Pentahydrate have been satisfied. Therefore, EPA reregisters the product listed above. This action is taken under the authority of section 4(g)(2)(c) of the Federal Insecticide, Fungicide, and Rodenticide Act, as amended. Reregistration under this section does not eliminate the need for continual reassessment of pesticides. EPA may require submission of data at any time to maintain the registration of your product.

Submit one (1) copy of final printed labeling. Amended labeling will supersede all previously accepted labels. A copy of your label stamped "Accepted" is enclosed for your records. Products shipped after 12 months from the date of this Notice or the next printing of your label, whichever occurs first, must bear the new revised label.

The basic Confidential Statement of Formula (CSF) dated 8/26/2010 referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act as amended is acceptable. This CSF supersedes all CSFs previously accepted for this product.

If you have any questions or comments regarding this letter, please contact Robert Westin at (703) 305-5721 or via e-mail at westin.robert@epa.gov.

KEEP OUT OF REACH OF CHILDREN.
DANGER: SEE BACK PANEL FOR ADDITIONAL PRECAUTIONS.

Active ingredient:
Copper Sulfate Pentahydrate 99%
Other Ingredients 1%
Total Ingredients 100%

EPA Reg. No. 10266-1 EPA Establishment No. 10266-NY-1
Contents: Four 8 ounce packets Net Weight: 32 oz. (2 lbs.)-907 g

PREVENTS CLOGGED DRAINAGE LINES - WILL NOT INJURE TREES AND PLANTS - REMOVES AND PREVENTS ROOT STOPPAGES AND FUNGUS GROWTH - SAFE FOR SEWERS, STORM DRAINS, CESSPOOLS & SEPTIC TANKS.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. This package contains 4 sealed, water-soluble plastic bags, each containing 8 oz. of ROOTAWAY Root Destroyer crystals. Best results are obtained if all applications of ROOTAWAY Root Destroyer are made at night when the smallest amount of water goes through the drainage lines. These water soluble bags can be dropped unopened into a toilet or a main trap (Never into basin, sink or tub). The bag dissolves in two minutes and the crystals can then be flushed into the drainage lines. As a preventive: To ensure root-free drainage lines, apply two 8 oz. bags of ROOTAWAY Root Destroyer every six months. Where root growth is so great as to cause complete blockage, have roots removed mechanically for quickest relief. To avoid future clogging, use preventive treatment.

USE RESTRICTIONS: Do not use this product where prohibited by State law. State law prohibits the use of this product in sewer systems in the State of Connecticut. Not for sale or use in California counties of Alameda, Contra Costa, Marin, Napa, San Francisco, San Mateo, Santa Clara, Solano, and Sonoma. Not for sale or use in septic systems in the State of Florida. This product contains chemicals known to the State of California to cause cancer and birth defects. **STORAGE AND DISPOSAL:** Do not contaminate water, food, or feed by storage and disposal. **PESTICIDE STORAGE:** Store unused product in original container only in a cool, dry area out of reach of children & animals. If container is damaged, place the container in a plastic bag. **PESTICIDE DISPOSAL:** IF PARTLY FILLED: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain unless instructed to do so in the "DIRECTIONS". **CONTAINER DISPOSAL:** Nonrefillable container. Do not reuse or refill this container. When completely empty, offer for recycling if available or dispose of box in a sanitary landfill or by other procedures approved by state and local authorities. If partly filled call your local solid waste agency or 1-800-535-5053 for disposal instructions. **WARRANTY - CONDITIONS OF SALE:** To the extent consistent by applicable law, buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.

FIRST AID: IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person. Have the product container or label with you when calling a poison control center or doctor, or going for treatment. IF ON SKIN: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call poison control center or doctor for treatment advice. IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice. HOTLINE NUMBER: 1-800-535-5053. NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.

PRECAUTIONARY STATEMENTS: Hazards to Humans & Domestic Animals

DANGER: • Corrosive. Causes irreversible eye damage and skin irritation. - Harmful if swallowed - Harmful if absorbed through the skin or inhaled. - Avoid breathing dust. - Avoid contact with skin, eyes or clothing. - Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. - Wear shoes plus socks, chemical resistant gloves made of any waterproof material. Protective eyewear must be worn. - Wash thoroughly with soap and water after handling. - Remove contaminated clothing & wash before reuse. **ENVIRONMENTAL HAZARDS:** - This product is extremely toxic to fish & aquatic organisms. - Don't apply to water except as specified on labeling.
