

PEST-AIDE

FOR THE CONTROL OF ROACHES

WITH DIAZINON

DIRECTIONS

When using this product the basic directions are to treat the harbourages and surfaces over which insects travel and on which they alight. The active residue left on the treated surfaces persists for several weeks or more and kills insects which come in contact with it.

ROACHES

Thoroughly spray hiding and nesting places such as cracks and crevices in walls, around door frames, baseboards, behind and under refrigerators. Repeat treatment as required.

ANTS

Apply to the ant trails and the surfaces where ants are seen. Treat any cracks or crevices from which ants emerge. Repeat treatment periodically as required.

CARPET BEETLE

Spray cracks and crevices around baseboards where woolen lint and dust accumulates and in which carpet beetle breed. Treat other comparable breeding places. Also spray infested floor areas and infested carpet areas. Repeat as necessary.

SILVERFISH

Apply the spray to the nesting and breeding places which are usually in damp locations. Give special attention to storage areas and book shelves.

NET CONTENTS
1 U.S. GALLON LIQUID

CAUTION

Contents of this can are flammable. Do not store near heat, in direct rays of sun, in closed cars in the sun or in any other location where temperatures will exceed 110 deg. F. If exposed to high temperatures excessive pressure will develop and may cause can to burst. Do not spray near heat or flame as spray is inflammable.

Keep out of reach of children. Avoid contamination of food-stuffs. Do not use on humans, pets or plants. Not to be used as a space spray. Avoid inhalation of spray. Avoid skin contact. May be absorbed through skin. In case of contact wash immediately with soap and water.

Harmful if swallowed.

Active ingredients

0,0-dimethyl 0-(2-isopropyl-4-methyl-6-pyrimidinyl) phosphorothioate	0.5%
Technical piperonyl butoxide*	0.2%
Pyrethrins	0.07%
Petroleum solvent	74.23%
*equivalent to 0.16% (butyl carbityl) (6-propyl piperonyl ether) and 0.04% related compounds.	
Inert Ingredients	25.0%
	100.0%
