

**DIRECTIONS FOR USE:**

**ROACHES, ANTS, WATERBUGS, SILVERFISH, SPIDERS, CRICKETS:** Spray heavily in all cracks, around baseboards and other places where these insects hide. Also spray until wet, surfaces behind and beneath cabinets, refrigerators, sinks, stoves, etc. Use on other localized areas infested with these pests. Repeat treatment as required.

**CARPET BEETLES:** Make localized application to areas on the floor and baseboards. Spray directly into cracks and under carpets where insects may be found. Treat crevices, cracks or closets and infested areas of shelvings. Repeat as necessary.

**BROWN DOG TICKS:** Thoroughly spray infested areas around baseboards, window and door frames, wall cracks, sleeping quarters of household pets, and localized areas of floors and floor coverings. Applications should be repeated as infestations warrant and as reinfestations occur. Fresh bedding should be placed in animal quarters following treatment. Do not treat animal with this formulation.

**FLIES, MOSQUITOES, WASPS AND FLYING MOTHS OUTDOORS:** For outdoors, use only as an aid in reducing annoyance from these insects. Spray outside surfaces of screens, doors, window frames or wherever these insects may enter the room. Also treat surfaces around light fixtures on porches, in garages, and other places where these insects alight or congregate.

**CAUTION:** Harmful if swallowed. Keep out of reach of children. Avoid contamination of feed and foodstuffs. Repeated or prolonged contact with skin can cause toxic symptoms. Avoid breathing in spray mist. In case of contact with skin, wash with soap and water. Wash thoroughly after using. Do not use on household pets or animals.

**COMBUSTIBLE MIXTURE:** Do not spray into or near fire or open flame. Do not smoke while using.
