

Lemon Odor Disinfectant Cleaner

Provides a Pleasant Fragrance

Controlling cross contamination is of major house-keeping concern not only in hospitals, but in schools, institutions, and industry. Lemon Odor Disinfectant Cleaner is formulated for this problem area. It both cleans and disinfects effectively when used as directed. Its hard surface disinfecting action will reduce the hazard of cross-infection.

WARNING

Keep Out of Reach of Children. May cause severe eye irritation or eye damage. Causes skin irritation. Do not get in eyes, on skin or on clothing. Harmful if swallowed. Avoid Contamination of food.

FIRST AID

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash all contaminated clothing before reuse. IF SWALLOWED, GIVE MILK, RAW EGG WHITE, GELATIN solution; or if these are not available, drink large quantities of water. Call a physician immediately.

DIRECTIONS

Add two ounces per gallon water.

Apply Lemon Odor Disinfectant Cleaner to walls, floors, and furniture with a cloth or mop. For heavily soiled areas, a preliminary cleaning may be required.

At two ounces per gallon use-level, Lemon Odor Disinfectant Cleaner is effective against *Pseudomonas aeruginosa*, *Staphylococcus aureus*, *Salmonella choleraesuis*, and *Trichophyton interdigitale*. Germicidal performance against the first three organisms has been confirmed by the AOAC Use Dilution Test. Fungicidal performance against *T. interdigitale* was determined by the AOAC Fungicidal Test.

Rinse empty container with water before discarding it.
