surface disinfecting action will reduce the hazard of cross-infection.

## Precautionary Statements

**Hazards to Humans and Domestic Animals Warning:** Causes eye and skin irritation. Do not get in eyes, on skin, or on clothing. Harmful if swallowed.

Avoid contamination of food.

## Statement of Practical Treatment

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash all contaminated clothing before reuse. If swallowed, do not induce vomiting. Drink large quantities of fluid and call a physician immediately.

## Directions For Use

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Add two fluid ounces per gallon water.

Apply Pine Odor Disinfectant Cleaner to walls, floors, and furniture with a cloth or mop. For heavily soiled areas, a preliminary cleaning may be required.

At two fluid ounces per gallon use-level and a minimum contact time of ten (10) minutes, Pine Odor Disinfectant Cleaner is effective against *Pseudomonas aeruginosa*, *Staphylococcus aureus*, *Salmonella choleraesuis*, and *Trichophyton interdigitale*. Germicidal performance against the first three organisms has been confirmed by the AOAC Use Dilution Test. Fungicidal performance against *T. interdigitale* was determined by the AOAC Fungicidal Test.

empty container.

## PESTICIDE DISPOSAL

Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

## CONTAINER DISPOSAL

One Gallon or less. Do not reuse empty container. Rinse thoroughly before discarding in trash. Securely wrap original container in several layers of newspaper and discard in trash.

## PLASTIC CONTAINERS

Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or if allowed by State and local authorities, by burning. If burned, stay out of smoke.

## METAL CONTAINERS

Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

## GENERAL

Consult federal, state, or local disposal authorities for approved alternative procedures such as limited open burning.
