

MAY 11 1990

Venus Laboratories, Inc
855 Lively Blvd
Wood Dale, ILL 60191

Attention: Michael J. Marrese
General Manager

Product Name: Quat #22
Registration Number 10292-38
Submission Date 11-16-89

The amendment referred to above, submitted in connection with registration under FIFRA, is acceptable provided that you:

1. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling:

- a. Revise the statement "Directions" to "Direction For Use".
- b. Revise the statement "Herpes Simplex II" to read "Herpes Simplex 2".
- c. Revise the statement "Practical Treatment" to read "Statement of Practical Treatment."
- d. Delete the statement:

Note: This product may be used on food contact surfaces but surfaces must be thoroughly rinsed with potable water before they are permitted to recontact food.

Potable water rinses are not longer permitted on food contact surfaces. Since your product is not cleared for use on food contact surfaces under the Federal Food, Drug and Cosmetic Act, your product cannot be use on Food Contact Surfaces.

- e. Refer to PR Notice 83-3 for acceptable Storage and Disposal statements for larger size containers you propose to market (5-gallons and 55-gallon container).

Submit five (5) copies of your final printed labeling before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

A stamped copy of the labeling is enclosed for your records.

If you have any questions concerning this letter, please contact Martha DeLaney at (703) 557-6982.

Sincerely yours,

John H. Lee
