d. Since the use in sewers is not subject to the Worker Protection Standard you should delete the following:

1. The Spanish Signal Word "Peligro" and the Spanish language text and its translation on the front panel,

2. the Statements "Do not apply this product in a way that will contact workers or other persons, either directly or through drift. Only protect handlers may be in the area during application. For requirements to your State or Tribe consult the agency responsible for pesticide regulations" on the right panel,

3. in the Precautionary Statements section "Applicators and other handlers must wear:", and

4. the Personal Protective Equipment and User Safety Recommendations sections.

e. Revise the HAZARDS TO HUMANS AND DOMESTIC ANIMALS section to include the following statements:

Wear long sleeved shirt and long pants, waterproof gloves, shoes plus socks, and protective eyewear. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse

f. Since this product is sold in 2 pound containers and is apparently for homeowner use, the proposed storage and disposal statements should be replaced with the statements for household products from the enclosed PR Notice 83-3.

3. Submit one (1) copy of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Applicators and other handlers must wear: Longsleeved shirt and long pants, waterproof gloves, shoes plus socks, and protective eyewear.

# PERSONAL PROTECTIVE EQUIPMENT

Discard clothing and other absorbent materials that have been drenched or heavily contaminated with this product's concentrate. Do not reuse them. Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables, use detergent and hot water. Keep and wash PPE separately from other laundry.

# User Safety Recommendations:

Users should: Wash hands before eating, drinking, chewing gum, using tobacco or using the tollet. Remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing. Remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

#### **ENVIRONMENTAL HAZARDS**

This product is taxic to fish. Direct application of Sani Shop® ROOY KILLER to water may cause a significant reduction in populations of aquatic invertebrates, plants and fish. Trout and other species of fish may be killed at application rates recommended on this label, especially in soR or acid waters. However, fish toxicity generally decreases when the hardness of water increases. Do not contaminate water by cleaning of equipment or disposal of wastes. Consult your local State Fish and Game Agency before applying this product to public waters. Permits may be required before treating such waters.
