Subject: Label Amendment to Add Wide-Area Mosquito Adulticide Applications Over,
Near, and Around Agricultural Lands
Product Name: ETOC Technical Grade
EPA Registration Number: 10308-12
Application Date: November 12, 2014
Decision Number: 497392

Dear Dr. Todd:

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable. This approval does not affect any conditions that were previously imposed on this registration. You continue to be subject to existing conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

EPA Reg. No. 10308-12
Decision No. 497392

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6. If you have any questions, please contact Kevin Sweeney by phone at (703) 305-5063, or via email at sweeney.kevin@epa.gov.

Sincerely,

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS

WARNING

May be fatal if swallowed or inhaled. Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Do not breathe vapors. Wear a respirator with an organic-vapor removing cartridge with a prefilter approved for pesticides (MSHA/NIOSH approval number prefix TC-23C), or a canister approved for pesticides (MSHA/NIOSH approval number prefix TC-14G), or a NIOSH approved respirator with an organic vapor (OV) cartridge or canister with any R, P or HE prefilter. Wash thoroughly with soap and water after handling and before eating, drinking chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish and aquatic invertebrates. Do not discharge effluent containing this pesticide into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product into sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your local or state water board, or the Regional Office of the U.S. Environmental Protection Agency.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and/or disposal in a storage area. Containers should be stored in a cool, dry, well-ventilated area. Keep containers closed when not in use.

- 1. STORAGE.** Containers should be stored in a cool, dry, well-ventilated area. Keep containers closed when not in use.
- 2. PESTICIDE DISPOSAL** Wastes resulting from use of this product may be disposed of at an approved waste disposal facility.
- 3. CONTAINER DISPOSAL** Non-refillable container. Do not reuse or refill this container. **Triple rinse as follows:** Empty the remaining contents into application equipment or a mix tank. Fill the container 1/4 full with diluent. Replace and tighten closures. Tip container on its side and roll it back and forth, ensuring at least one complete revolution, for 30 seconds. Stand the container on its end and tip it back and forth several times. Turn the container over onto its other end and tip it back and forth several times. Empty the rinsate into application equipment or a mix tank or store rinsate for later use or disposal. Repeat this procedure two more times. Then offer for recycling if available, or puncture and dispose of in a sanitary landfill or by incineration. Do not burn unless allowed by state and local ordinances.

An Insecticide for Formulating Use Only

ACTIVE INGREDIENT:

Prallethrin.....93.0%
CAS No. 23031-36-9
OTHER INGREDIENTS.....7.0%
TOTAL INGREDIENTS.....100.0%

FIRST AID	
IF SWALLOWED	<ul style="list-style-type: none"> • Call poison control center or doctor immediately for treatment advice. • Have person sip a glass of water if able to swallow. • DO NOT induce vomiting unless told to do so by the poison control center or doctor. • DO NOT give anything by mouth to an unconscious person. • Move person to fresh air. • If not breathing, call 911 or ambulance, then give artificial respiration, preferably mouth-to-mouth. • Call poison control center or doctor for treatment advice.
IF INHALED	<ul style="list-style-type: none"> • Move person to fresh air. • If not breathing, call 911 or ambulance, then give artificial respiration, preferably mouth-to-mouth. • Call poison control center or doctor for treatment advice.
IF IN EYES	<ul style="list-style-type: none"> • Hold eye(s) open and rinse slowly and gently with water for 15 – 20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call poison control center or doctor for treatment advice.
IF ON SKIN OR CLOTHING	<ul style="list-style-type: none"> • Take off contaminated clothing. • Rinse skin immediately with water for 15 – 20 minutes. • Call poison control center or doctor for treatment advice.

For emergency information on this product, call 1-800-858-7378. (National Pesticide Information Center). During other times call the poison control center at 1-800-222-1222. Have the product container or label with you when contacting a poison control center or doctor, or when going for treatment.

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

READ ENTIRE LABEL BEFORE EACH USE OF THIS PRODUCT

INSTRUCTIONS TO FORMULATORS:

ETOC® Technical Grade is to be used to formulate insecticides for the following uses:

- For use in the formulation of ULV mosquito adulticide products for wide-area mosquito control over, near and around agricultural lands.
- Indoor food use areas: This product can not be tank mixed with synergists for use in food areas of food handling establishments.
- Indoor, non-food/non-feed.
- Indoor/outdoor Residential

This product may be used to formulate products for any additional uses not listed on the MP label if the formulator, user group, or grower has complied with U.S. EPA data submission requirements regarding the support of such uses.

NOTICE – READ CAREFULLY

CONDITIONS OF SALE:

Sumitomo (and seller) offer(s) this product for sale subject to, and buyer and all users are deemed to have accepted, the following conditions of sale and warranty which may only be varied by written agreement of a duly authorized representative of Sumitomo.

WARRANTY LIMITATIONS:

Sumitomo warrants that this product conforms to the chemical description in the directions of use on the label subject to the inherent risks referred to below. Sumitomo makes no other express warranties. THERE IS NO IMPLIED WARRANTY OF MERCHANTABILITY and there are no warranties which extend beyond the description of the label hereof.

INHERENT RISKS:

The directions for use of this product are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks associated with use. Buyer assumes all risks associated with use or application of this product contrary to label instructions or resulting from extraordinary weather conditions.

LIMITS OF LIABILITY:

To the extent consistent with applicable law, Sumitomo shall not be liable for special, indirect or consequential damages resulting from the use or handling of this product and no claim of any kind shall be greater in amount than the purchase price of the product in respect of which such damages are claimed.
