4. Typed Name Robin G. Todd, PhD, BCE	5. Date 27 April 2005	

**RED EARTH® G-8-F AQUA FUMIGATOR
FUMIGATING FOGGER**

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

CAUTION

Harmful if inhaled. Avoid breathing the smoke. Avoid contact with eyes. May cause sensitization following repeated contact with the skin of susceptible individuals. Cover and turn off fish aquariums. Remove plants, pets, and birds before using. Wash hands with soap and water after handling.

Do not use in food areas of food handling establishments, restaurants, etc.

PHYSICAL OR CHEMICAL HAZARDS

When metal cartridge comes in contact with water, and for 30 minutes thereafter, it will be hot. This is normal. In order to prevent skin burns, do NOT touch metal container during this time. Heat resistant cup protects contact surfaces.

STORAGE

Store unused units in their original containers in dry area inaccessible to children.

DISPOSAL

If empty: Do not reuse this container. Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never placed unused product down any indoor or outdoor drain.

Red Earth® Aqua Fumigator is a deep-penetrating fumigating fogger that flushes bugs out from where they hide and kills them on contact. When activated, it fumigates the whole room with a white cloud of smoke. The smoke stays in the air during the 3-hour treatment, penetrating deep, filling cracks and crevices and going way under furniture and appliances to kill roaches and fleas where they hide. That is why it kills so many bugs! German roaches may take longer to kill than other bugs.

One unit treats a room of 3000 cubic feet. For best results keep treated room closed for 3 hours.

ACTIVE INGREDIENT:

(RS)-alpha-cyano-3-phenoxybenzyl (1RS)-cis/trans-chrysanthemate

7.2% w/w

*1 R isomer ratio: ≥95% 1R

INERT INGREDIENTS

92.8% w/w
100.0%

**KEEP OUT OF REACH OF CHILDREN
CAUTION**

See Side Panel for Additional Precautionary Statements

FIRST AID	
IF INHALED	<ul style="list-style-type: none"> •Move person to fresh air. •If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible •Call a poison control center or doctor for further treatment advice.
IF IN EYES	<ul style="list-style-type: none"> •Hold eye(s) open and rinse slowly and gently with water for 15-20 minutes. •Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye(s). •Call a poison control center or doctor for treatment advice.
IF ON SKIN OR CLOTHING	<ul style="list-style-type: none"> •Take off contaminated clothing. •Rinse skin immediately with plenty of water for 15-20 minutes. •Call a poison control center or doctor for treatment advice.
IF SWALLOWED	<ul style="list-style-type: none"> •Call poison control center or doctor immediately for treatment advice. •Have person sip a glass of water if able to swallow. •Do not induce vomiting unless told to do so by the poison control center or doctor. •Do not give anything by mouth to an unconscious person.
Have the product container or label with you when contacting a poison control center or doctor, or when going for treatment.	

Kills: Roaches(Palmetto bugs and Water bugs) adult fleas, ticks, mosquitoes, flies, ants and spiders.

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

1. Room Preparation: Open cupboards, cabinets, and drawers. Remove or cover all exposed food, dishes and utensils. Remove plants, pets, and birds. Cover and turn off fish aquariums. Close windows and doors. Shut off fans, air conditioners, and temporarily disconnect smoke alarms.
2. Treatment: Lift pull ring and remove top from cap. Remove metal insecticide cartridge from cap.
3. Add water to line near base of plastic cup. Do not over fill. Place it on the floor in the center of the room.
4. To Actuate: Place the metal cartridge in the plastic cup. **DO NOT INSERT UPSIDE DOWN.**
5. Fumigation starts within 1-2 minutes. Leave the room and keep doors and windows closed for 3 hours.
6. After Treatment: Before re-occupying area, open all doors and windows, and air for 30 minutes. Reactivate smoke alarms.

For household use (or for use in homes): Kitchens, living areas, garages, attics, antics, basements, and pet living areas. Relieves infestations.

- Convenient-easy to use
- Delayed fogging allows time to leave room
- No oily residue on surfaces
- No stains

German cockroaches: This product takes longer to kill these roaches than other bugs.

Subject: Red Earth G-8-F Aqua Fumigator (EPA Reg. No. 10308-18)
Notification of Typographical Errors in the Product Label

Dear Staff:

In reviewing the currently approved EPA label (December 2, 2003) for the above-captioned product, we noted two typographical errors in its product label:

1. The word EARTH was misspelled
2. The word AQUA had been inadvertently left out

We have therefore corrected the misspelling of the word "EARTH" and have inserted the word "AQUA" between "G-8-F" and "FUMIGATOR" so that the product name is corrected to "RED EARTH G-8-F AQUA FUMIGATOR," and attach the following for your review and files:

- A. Application form (8750-1) explaining the reason for this Notification
- B. One final label with the two (2) corrections highlighted
- C. Two (2) final product labels

We are attaching a self-addressed, stamped postal card as confirmation that EPA has received and reviewed this Notification. Please date and sign in appropriate spaces and return the card by mail.

Please do not hesitate to contact us should you have any questions regarding these corrections.

Sincerely yours,

Robin G. Todd, PhD
Technical Advisor
