Subject: Label Notification(s) for Pesticide Registration Notice 98-10

Dear Dr. Todd:

The Agency is in receipt of your Application(s) for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 dated December 6, 2013 for the following product(s):

**Red Earth® G-8-F Aqua
Fumigator**

EPA Reg. No. 10308-18

The Registration Division (RD) has conducted a review of this request for applicability under PR Notice 98-10 and finds that the label change(s) requested falls within the scope of PRN 98-10. The label has been date-stamped "Notification" and will be placed in our records.

If you have any questions, please contact Linda A. DeLuise at 703-305-5428.

Sincerely,

A handwritten signature in cursive script, appearing to read "Richard J. Gebken".

Subject: Red Earth® G-8-F Aqua Fumigator (EPA Reg. No. 10308-18)
Non Notification Label Corrections

Dear Ms. McCall,

Please find attached three copies of the Red Earth® G-8-F Aqua Fumigator ('Red Earth') label with the following corrections:

1. Manufacturer's address is Earth Chemical Co., Ltd. and not Red Earth Chemical Company, Ltd.
2. Manufacturer's address is updated from Osaka to Tokyo.
3. Registered Trademark is Earth Chemical Co., Ltd., not Sumitomo Chemical Co., Ltd.
4. Two typographical corrections (identified on attached track changes document).

For clarity we are also attaching a copy of the current approved EPA label and a version in track changes reflecting the corrections. These changes should all be non-notification as per PR 98-10.

We would normally have addressed this to Mark Suarez, as PM 13. However, as Mark has assumed new duties in Pesticide Re-evaluation Division we do not know who his replacement is and ask that you forward it to the new PM 13.

Yours sincerely,

Robin G. Todd, PhD, BCE

RED EARTH® G-8-F AQUA FUMIGATOR FUMIGATING FOGGER

ACTIVE INGREDIENT:

(RS)-alpha-cyano-3-phenoxybenzyl (IRS)-cis/trans-chrysanthematate

7.2%/w/w

• IR isomer ratio: ≥95% IR
INERT INGREDIENTS

92.8%/w/w
100.0%

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Harmful if inhaled. Avoid breathing the smoke. Avoid contact with eyes. May cause sensitization following repeated contact with the skin of susceptible individuals. Cover and turn off fish aquariums. Remove plants, pets, and birds before using. Wash hands with soap and water after handling.

Do not use in food areas of food handling establishments, restaurants, etc.

PHYSICAL OR CHEMICAL HAZARDS

When metal cartridge comes in contact with water, and for 30 minutes thereafter, it will be hot. This is normal. In order to prevent skin burns, do NOT touch metal container during this time. Heat resistant cup protects contact surfaces.

STORAGE

Store unused units in their original containers in dry area inaccessible to children.

DISPOSAL

If empty: Do not reuse this container. Place in trash or offer for recycling if available.
If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor drain.

Red Earth® Aqua Fumigator is a deep-penetrating fumigating fogger that flushes bugs out from where they hide and kills them on contact. When activated, it fumigates the whole room with a white cloud of smoke. The smoke stays in the air during the 3-hour treatment, penetrating deep, filling cracks and crevices and going way under furniture and appliances to kill roaches and fleas where they hide. That is why it kills so many bugs! German roaches may take longer to kill than other bugs.

One unit treats a room of 2,000 cubic feet. For best results keep treated room closed for 3 hours.

Kills: Roaches (Palmetto bugs and Water bugs) adult fleas, ticks, mosquitoes, flies ants and spiders.

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

1. Room Preparation: Open cupboards, cabinets, and drawers. Remove or cover all exposed food, dishes and utensils. Remove plants, pets, and birds. Cover and turn off fish aquariums. Close windows and doors. Shut off fans, air conditioners, and temporarily disconnect smoke alarms.
Treatment: Lift pull ring and remove top from cap. Remove metal insecticide cartridge from cap.
2. Add water to line near base of plastic cup. Do not over fill. Place it on the floor in the center of the room.
3. To Actuate: Place the metal cartridge in the plastic cup. **DO NOT INSERT UPSIDE DOWN.** Fumigation starts within 1-2 minutes. Leave the room and keep doors and windows closed for 3 hours.
4. After Treatment: Before re-occupying area, open all doors and windows, and air for 30 minutes. Reactivate smoke alarms.

For household use (or for use in homes): Kitchens, living areas, garages, attics, basements, and pet living areas. Relieves infestations.

- Convenient-easy to use
- Delayed fogging allows time to leave room
- No oily residue on surfaces
- No stains

German cockroaches: This product takes longer to kill these roaches than other bugs.

NOTIFICATION

DEC 24 2013

KEEP OUT OF REACH OF CHILDREN

CAUTION

See Side Panel for Additional Precautionary Statements

FIRST AID	
IF INHALED	<ul style="list-style-type: none"> • Move person to fresh air. • If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. • Call a poison control center or doctor for further treatment advice. • Hold eye(s) open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye(s). • Call a poison control center or doctor for treatment advice.
IF IN EYES	<ul style="list-style-type: none"> • Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15-20 minutes. • Call a poison control center or doctor for treatment advice.
IF ON SKIN OR CLOTHING	<ul style="list-style-type: none"> • Call a poison control center or doctor immediately for treatment advice. • Have a person sip a glass of water if able to swallow. • Do not induce vomiting unless told to do so by the poison control center or doctor. • Do not give anything by mouth to an unconscious person.
IF SWALLOWED	<p>Have the product container or label with you when contacting a poison control center or doctor, or when going for treatment.</p>
