

Of mass, non-volatile, non-volatile, non-separation. Will not irritate hands. Recommended dilute solutions. Will not stain. Biodegradable.

A new, powerful, quaternary ammonium product that automatically cleans, deodorizes, deodorizes and disinfects all at the same time.

May be used on food preparation equipment, tile, terrazzo, plastic, all types of floor and wall tiles.

Use on any surface that can be washed with water. Use in hot or cold water.

Destroys odor-causing bacteria and leaves residual bacteriostatic activity to help keep bacteria from growing and absorbing.

**CAUTION**  
**KEEP OUT OF REACH**  
**OF CHILDREN**

**CORROSIVE** Causes severe eye and skin irritation. Do not get in eyes. Wash with clothing. Wear goggles or face shield and rubber gloves when handling. Harmful to fish and aquatic life. Avoid contact with food.

**FIRST AID**

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing. In case of swallowing, drink **PROMPTLY** a large quantity of milk, egg whites, or water. If any of these are not available, drink large quantities of water. Avoid contact with a physician immediately.

**NOTE TO PHYSICIAN**

Probably causes damage to eyes. In case of the use of gastric lavage. Measures to treat circulatory shock, respiratory depression, and convulsions may be needed.
