

CAUTION:

Precautionary Statements

Human and Domestic Animals: Avoid contact with eyes. In case of contact, immediately flush eyes with plenty of water. Get medical attention if irritation persists. Avoid breathing spray mist. Keep container closed when not in use. Cover or remove fish bowls and aquaria. Food should be removed or covered during treatment. All food contact surfaces and cooking utensils should be covered during treatment or thoroughly cleaned before using.

Storage and Disposal: Do not contaminate water, food, or feed by storage or disposal. Do not reuse container. Dispose in an incinerator or landfill approved for pesticide containers, or bury in a safe place. Do not store below 32°F. If exposed to temperatures below 32°F, thaw completely and mix well before using.

AREAS	WAREHOUSES	SCHOOLS
GRAIN MILLS		

Authorized for use in Federally-inspected meat and poultry plants

Shake "Sectrol" Insecticide well before using!

SECTROL is a Reg TM of 3M

Industrial Tape Division 3M

St. Paul, MN 55144

Application Information:

SECTROL Insecticide may be applied as a GENERAL SURFACE SPRAY.

Direct this spray onto floors, walls, into hiding places, moist areas, harborage areas, under pallets, around containers of stored food, around the base of machinery, behind shelves and drawers, and on or around insect entry areas. Spray directly on insects where possible.

On surface applications, apply SECTROL Insecticide at a rate of 1 gallon diluted product per 1,000 sq. ft. of surface. When properly applied, SECTROL Insecticide does not leave an excessive residue. If sprayed to run-off, SECTROL Insecticide may be easily removed by wiping with a damp cloth or by vacuuming. SECTROL Insecticide will not damage surfaces that are unaffected by water.

For Use With ULV Equipment — Close room or warehouse. Shut off all ventilation systems. Food should be covered or removed during treatment. All food contact surfaces should be covered during treatment or thoroughly cleaned before using. Do not apply while food processing is underway. Use a Microgen sprayer or the equivalent to produce an aerosol spray (droplets measuring 1-50 microns in diameter). Spray at the rate of 1.3 fluid ounces of diluted product (9:1 dilution) per 1,000 cubic feet of space. Leave room closed for 15 minutes after application. Do not remain in treated areas. Ventilate prior to re-entry. Repeat applications as necessary.

Food Areas: Food should be removed or covered during treatment. All food contact surfaces and cooking utensils should be covered during treatment or thoroughly cleaned before using.

Treat areas for receiving, storage, preparing, processing, packaging, edible waste storage, and serving.

Non-Food Areas: Treat garbage rooms, lavatories, offices, machine rooms, boiler rooms, garages, closets, and storage areas. Spray baseboard areas, around water pipes, surfaces behind and beneath sinks, tables, cabinets, pallets, and other areas where insects hide or through which they may enter. Repeat treatment as necessary. SECTROL Insecticide may be applied as a GENERAL SURFACE SPRAY.

Fleas: Spray infested areas such as pet beds and resting areas, and areas of floor and floor covering (such as carpeting) where these pests may be present. Old bedding of pets should be removed and replaced with clean, fresh bedding after treatments. **DO NOT APPLY DIRECTLY TO PETS.** Repeat application as needed.

Notice — Limited Warranty: 3M warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions for Use, subject to the inherent risks referred to on the label. 3M makes no other expressed or implied Warranty of Fitness or Merchantability or any other expressed or implied warranty. In no case shall 3M or the Seller be liable for consequential, special or indirect damages resulting from the use or handling of this product. 3M and the Seller offer this product, and the Buyer and user accept it, subject to the foregoing Conditions of Sale and Warranty which may be varied only by agreement in writing signed by a duly authorized representative of 3M.
