SHAKE WELL BEFORE USING!

Directions for Use: It is a violation of federal law to use this product in a manner inconsistent with its labeling. Sectrol Insecticide may be applied as a GENERAL SURFACE SPRAY.

Before use, shake thoroughly and adjust sprayer to deliver a coarse spray.

On Cats and Dogs - works up to 8 days. For best results, shampoo pet with product recommended by veterinarian. Towel dry. Hold sprayer a few inches from pet. Start by spraying pet's head (avoiding contact with the eyes) and work your way back to the hind quarters. Spray under the haircoat by backcombing against the direction of hair growth with your other hand. It is important to wet the entire haircoat and any exposed skin thoroughly to assure adequate coverage. Allow pet to dry or use blow dryer. Do not towel dry as this will remove many of the microencapsules. Reapply weekly or as needed.

On Household Surfaces - works up to 30 days. Thoroughly vacuum all carpeting, upholstered furniture, along baseboards, under furniture and in closets. Seal vacuum bag and dispose. Mop hard floors. Replace pet bedding. Using a snooth back-and-forth motion, spray all floors and other aforementioned areas thoroughly, especially pet resting areas and other areas you pet frequents. Repeat application after 30 days or as needed.

Refrain from vacuuming treated areas until flea cycle is broken (normally 10-14 days). If you vacuum, retreat vacuumed areas.

This bottle treats 115 square feet. If product begins to run off or leave pools, you are spraying too heavily. Sectrol Pet and Household Flea Spray will not damage surfaces that are unaffected by water.

To Treat Other Household Pests: (including ants, beetles, centipedes, cockroaches, crickets, firebrats, flies, gnats, moths, silverfish, spiders, ticks, waterbugs, and weevils) direct this spray to areas where these pests are found, such as: baseboards, storage areas, closets; around water pipes, doors and windows; behind and under refrigerators, cabinets, sinks, stoves, and other similar areas. Spray directly on insects where possible. Repeat treatment as necessary.

Sectrol® 3M

Pet and Household Flea Spray No. 1495

Ready-to-use microencapsulated natural pyrethrins Insecticide for extended residual control of fleas and ticks indoors and on dogs and cats.

EPA Reg. No. 10350-8-AA
EPA Est. 10350-MN-02

ACTIVE INGREDIENTS:

Pyrethrins 0.11%;
*Piperonyl Butoxide, Technical 0.22%;
N-Octyl Bicycloheptane Dicarboximide 0.37%; Petroleum Distillate 0.45%

INERT INGREDIENTS: 98.85%

*Equivalent to 0.18% Butylcarbityl (6-propylpiperonyl) ether and to 0.04% related compounds

Net Contents: 15 fl.oz. (444 ml)

KEEP OUT OF REACH OF CHILDREN

CAUTION

See side panel for additional precautionary statements.

Precautionary Statements:

Hazards to Humans and Domestic Animals: Avoid contact with eyes. Avoid breathing spray mist. Keep container closed when not in use.

Environmental Hazards: This product is toxic to fish. Cover or remove fish bowls and aquaria. May be used in food areas, but food, food contact surfaces, and cooking utensils should be removed or covered during treatment or thoroughly cleaned before using.

Statement of Practical Treatment: If on skin: Remove contaminated clothing and immediately wash skin with soap and water. If in eyes: Immediately flush eyes with plenty of water. Get medical attention if irritation persists.

Storage and Disposal:

Storage: Store in original container out of the reach of children. Do not store below 32°F. If exposed to temperatures below 32°F, thaw completely and mix well before using. **Unused Pesticide Disposal:** Se- riously wrap original container in several layers of newspaper and discard in trash. **Empty Container Disposal:** Do not reuse container. Rinse thoroughly before discarding in trash.

Notice - Limited Warranty: 3M guarantees only that the product, if used as directed, will perform as described on this label. 3M makes no other guarantees, warranties or promises for the product. 3M will replace any product found by 3M to be defective.

The foregoing warranty is in lieu of all other warranties expressed or implied including the warranty of merchantability or fitness for a particular purpose. 3M shall not be liable for any damages, including incidental and/or consequential damages, regardless of the legal theory asserted, including negligence and/or strict liability arising out of the use of or the inability to use or the performance of the product.

Some states do not allow the exclusion or the limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

This warranty gives you specific rights, and you may also have other rights which vary from state to state. For any warranty questions, contact Animal Care Products/3M.
