DURSBAN™ 20 MEC **3M**

**Microencapsulated Insecticidal Concentrate
for Manufacturing Use**

ACTIVE INGREDIENT:

Chlorpyrifos: O,O-diethyl-O-(3,5,6-trichloro-2-pyridinyl) phosphorothioate:.....20.0%

INERT INGREDIENTS:.....80.0%

TOTAL:.....100.0%

Contains Petroleum Distillate

ACCEPTED
AUG 2, 1999
Under the Federal Insecticide,
Fungicide, and Rodenticide Act,
as amended, for the pesticide
registered under
EPA Reg. No. 10350-10

EPA Reg. No. 10350-10
EPA Est. No. 10350-CN-01

FOR FORMULATING USE ONLY

Net Contents: 50 Gallons (189L)

Keep Out Of Reach Of Children
CAUTION

PRECAUTIONARY STATEMENTS

CAUTION

HAZARDS TO HUMANS AND ANIMALS:

Harmful if absorbed through the skin. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling. Keep away from food, feedstuffs and water supplies.

STATEMENT OF PRACTICAL TREATMENT

IF ON SKIN: In case of contact, remove contaminated clothing and immediately wash skin with soap and water.

2 5

NOTE TO PHYSICIAN: Chlorpyrifos is a cholinesterase inhibitor. Treat symptomatically. Atropine, only by injection, is a preferable antidote. Oximes such as 2-PAM/protopam, may be therapeutic if used early; however, use only in conjunction with atropine.

ENVIRONMENTAL HAZARDS:

This pesticide is toxic to fish, birds, and other wildlife. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of EPA

STORAGE AND DISPOSAL:

Do not contaminate water, food, or feed by cleaning of equipment or disposal of wastes.

Pesticide Storage: Do not store above 122°F or below 32°F. Storage below 32°F may result in solidification. If warmed to 32°F, product will return to original form. Freezing does not adversely affect this product.

Pesticide Disposal: Wastes resulting from the use of this product may be disposed on site or at an approved waste disposal facility.

Container Disposal: Triple rinse (or equivalent), then offer for recycling, reconditioning, or puncture and dispose of in a sanitary landfill, or by other approved state and local procedures.

INSTRUCTIONS FOR FORMULATION

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Microencapsulated Dursban insecticide may be used only for the formulation of products for insecticidal purposes. Formulators using this product are responsible for obtaining EPA registration of their formulated products.

DIRECTIONS FOR USE:

For Formulation into Insecticide products for the following uses:

- commercial indoors: non-food and food handling areas, cracks and crevices, spot treatments in and around baseboards, walls, floors, windows, door frames, porous and non-porous surfaces, storage shelving, floor drains, and around plumbing/utility fixtures
- commercial outdoors: building perimeter, windows, door frames, steps, eaves, yard, lawn, turf, fire ant mounds, along sidewalks, patios, porches, and in cracks and crevices
- domestic indoors: non-food and food handling areas, cracks and crevices, spot treatments in and around baseboards, walls, floors, windows, door frames, porous and non-porous surfaces, storage shelving, floor drains, around plumbing/utility and inside barns
- domestic outdoors: building perimeter, cracks and crevices, windows, door frames, steps, eaves, yard, lawn, turf, fire ant mounds, along sidewalks, patios, porches, yards and kennels

For these above uses the USEPA has accepted the required data and/or citations of data that the formulator has submitted in support of registration, excluding any use strictly prohibited by this label.

This Manufacturing-Use Product may NOT be used for formulation into products for the following uses:

- Pest Control Indoors (Indoor):** Indoor broadcast use; total release foggers for indoor residential and nonresidential use
- Pest Control Outdoors:** Paint additives
- Pets and Domestic Animals (Indoor):** Animal dips, sprays, shampoos

All manufacturing-use products produced from this product must bear a statement prohibiting formulation of such products for the uses identified above.

LIMITED WARRANTY:

3M guarantees that the product, if used as directed, will perform as described on this label. 3M makes no other guarantees, warranties or promises for the product. The purchaser's sole and exclusive remedy shall be limited to product replacement or refund for the returned product at 3M's option. 3M will replace any product found by 3M to be defective

The forgoing warranty is in lieu of all other warranties express or implied, including the warranty of merchantability or fitness for a particular purpose. 3M shall not be liable for any damages, including incidental and/or consequential damages, regardless of the legal theory asserted, including negligence and/or strict liability arising out of the use of or the inability to use or the performance of the product.

Some states do not allow the exclusion or the limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

For any warranty questions, contact 3M Animal Care Products.
