NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

BEST AVAILABLE COPY

1. The product is registered by name and formula as follows: (EPA Reg. No. 10350-20)

2. The product is registered by name and formula as follows: (EPA Reg. No. 10350-20)

3. The following labeling changes are being made: (See attached label for details)

Directions for Use

INSTRUCTIONS FOR FORMULATION

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Microencapsulated Permethrin insecticide may be used only for the formulation of insecticidal products. Formulators using this product are responsible for obtaining EPA registration of their formulated products.

STORAGE AND DISPOSAL Do not contaminate food, feed or water by storage or cleaning of equipment.

PESTICIDE DISPOSAL Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL Triple rinse (or equivalent) and offer for recycling, reconditioning, or puncture and dispose of in a sanitary landfill, or by other approved state and local procedures.

NOTICE-LIMITED WARRANTY 3M warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions for Use, subject to the inherent risks referred to on the label. 3M makes no other expressed or implied Warranty of Fitness or Merchantability or any other expressed or implied warranty. In no case shall 3M be liable for consequential, special or indirect damages resulting from the use or handling of this product. 3M offers this product, and the Buyer and user accept it, subject to the foregoing Conditions of Sale and Warranty which may be varied only by agreement in writing signed by a duly authorized representative of 3M. **LIMITATION OF REMEDIES:** If the product does not meet the listed chemical description, 3M will replace the product. Replacement is the buyer's only remedy against 3M for a defective product and takes the place of any other claim against 3M for damage or loss of any type.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Animals - Avoid contact with skin and eyes. Harmful if absorbed through skin. Wash hands thoroughly with soap and water after handling and before eating.

Statement of Practical Treatment -

If Swallowed: Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching finger to back of throat. Never give anything by mouth to an unconscious person.

If On Skin: Remove contaminated clothing and wash skin with soap and water.

If In Eyes: Flush eyes with plenty of water. If irritation persists, call physician.

ENVIRONMENTAL HAZARDS: This product is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or public waters unless this product is specifically identified and addressed in an NPDES Permit. Do not discharge effluent containing this product into sewer systems without previously notifying the sewage treatment plant authority in writing. For guidance contact your State Water Board or Regional Office of the EPA.
