	TERM OF ISSUANCE Until Reregistration	
	NAME OF PESTICIDE PRODUCT 40% Chlorpyrifos Methyl Stock Emulsion 30 Day Concentrate	

NOTICE OF PESTICIDE:  REGISTRATION  
 REREGISTRATION  
 (Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended)

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

[  
 [

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

The Administrator hereby certifies that the information furnished by you is true and correct to the best of your knowledge and belief.

1. Submit/Amend your labeling and registration information of your product under FIFRA Section 2(d) to the Agency to provide all registrants with the same product information.

2. Place the following information on the label and on the product packaging:

- Add the words "Reregistration No. 10350-22."
- Add a statement to the label ingredient statement indicating:
  - 40% Chlorpyrifos Methyl Distillate.
- In your instructions for use paragraph, revise the sentence "Do not contact with eyes, streams, etc." to read "Do not contact with water by cleaning of equipment or removal of equipment washwater."

SECOND PANEL:

SHAKE WELL BEFORE USING!

(Product Name) is a unique, concentrated microencapsulated formulation for residual control of house flies, stable flies, and other insect pests in and around dairy and beef cattle, swine, sheep, horse, and dog premises.

Directions For Use It is a violation of federal law to use this product in a manner inconsistent with its labeling.

SHAKE WELL BEFORE USING and frequently during use.

For control of house flies and stable flies.

Also controls cockroaches, spiders, fleas, ticks, ants, earwigs, centipedes, and millipedes in animal premises.

Preparation: Use a clean compressed air sprayer or cold-mist fogger. Prepare the amount of spray desired by diluting three (3) ounces of (Product Name) into one (1) gallon of water.

SHAKE WELL!

Application:

Adjust the fogger or sprayer nozzle to deliver a coarse, wet spray.

Apply to the point of runoff (approximately one (1) gallon of spray per 750 to 1,000 square feet of surface).

Spray should be applied directly onto walls, ceilings, light fixtures, window frames, and other fly resting surfaces. Timing and frequency of application should be based on nuisance levels of flies. The use of any residual fly spray for fly control should be incorporated into a program of general sanitation and manure management to reduce fly breeding sites.

Do not spray directly onto animals, feedstuffs, or water. Do not spray while animals are present. Avoid contamination of animals, feedstuffs and water by spray drift.

MEC CHLORPYRIFOS LIVESTOCK PREMISE SPRAY CONCENTRATE  
SECOND PANEL (Cont...)

Do not spray in milk storage rooms. Do not contaminate milking or milk handling equipment.

After application, rinse sprayer thoroughly with water.

Limited Warranty: 3M guarantees only that the product, if used as directed, will perform as described on this label. 3M makes no other guarantees, warranties, or promises for the product. 3M will replace any product found by 3M to be defective.

THE FOREGOING WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES EXPRESSED OR IMPLIED, INCLUDING THE WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Except for personal injury, 3M shall not be liable for any damages, including incidental and/or consequential damages, regardless of the legal theory asserted, including negligence and/or strict liability arising out of the use of or the inability to use or the performance of the product.

Some states do not allow the exclusion or the limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

For any warranty questions, contact 3M Animal Care Products.

SHAKE WELL BEFORE USING!

CAUTION

Precautionary Statements

**Hazards To Humans and Domestic Animals:** Avoid breathing spray mist. Avoid contact with skin and eyes. Harmful if absorbed through skin. Wash hands thoroughly with soap and water after handling and before eating. DO NOT SPRAY DIRECTLY ON ANIMALS OR HUMANS. NOTE: Puppies and kittens less than twelve (12) weeks old may be sensitive to (Product Name). Avoid treating bedding or other key rest areas where they may have prolonged direct contact with product.

Statement of Practical Treatment -

**If Swallowed:** Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching finger to back of throat. Never give anything by mouth to an unconscious person. **If on skin:** Remove contaminated clothing and wash skin with soap and water. **If in eyes:** Flush eyes with plenty of water. If irritation persists, call physician.

**Note to Physician:** Chlorpyrifos is a cholinesterase inhibitor, treat symptomatically. Atropine only by injection is an antidote.

**Environmental Hazards:** This product is toxic to fish, wildlife, and birds. Keep out of any body of water. Do not contaminate lakes or streams by cleansing of equipment or disposal of wastes.

Storage and Disposal:

**Storage:** Store in original container out of the reach of children. Do not freeze or store above 120°F.

**Unused Pesticide Disposal:** Securely wrap original container in several layers of newspaper and discard in trash.

**Empty Container Disposal:** Do not reuse container. Rinse thoroughly before discarding in trash.
