361 / 234168
18 / 1

BEST AVAILABLE COPY

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an endorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

2. Submit to the Agency, within 90 days of the date of registration, the following information for your product and similar products (a) (5) when the Agency requires it:

1. Submit to the Agency, within 90 days of the date of registration, the following information for your product and similar products (a) (5) when the Agency requires it:

- a. Acute Toxicity Study - Guidelines Reference No. (GRN) 152-12.
- b. Dermal Sensitivity Study - GRN 152-14. Enclosed copy of scientific review.

3. Make the label changes listed below before you release the product for shipment.

- a. Add the phrase "EPA Registration No. 10350-25."
- b. Your labeling has too many EPA Establishment Numbers. You must decide upon only one EPA Establishment Number.
- c. "Net Contents" should appear at the bottom of your label (see label sample enclosure).

ATTACHMENT IS APPLICABLE

SIGNATURE OF APPROVING OFFICIAL: *See p. 2* DATE: *6/28/89*

- d. Delete the second "Caution" from the back panel.
- e. Your Precautionary headings need to be reformatted and updated to comply with current labeling requirements (see enclosure).
- f. Correct the spelling of discharge in the second paragraph, back panel.
- g. In the fifth paragraph, please delete the statement "KEEP OUT OF REACH OF CHILDREN."
- h. Your Storage and Disposal statement needs updating and reformatting.

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

PRECAUTIONARY STATEMENTS:

CAUTION

Hazards to Humans and Domestic Animals: Avoid contact with eyes. Avoid breathing spray mist. Keep container closed when not in use. Harmful if absorbed through the skin. Wash thoroughly with soap and water after handling. Keep away from food, feedstuffs and water supplies.

Environmental Hazards:

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or public waters unless this product is specifically identified and addressed in an NPDES permit. Do not discharge effluent containing this product into sewer systems without previously notifying the sewage treatment plant authority in writing. For guidance contact your State Water Board or Regional Office of the EPA.

Statement of Practical Treatment: If On Skin: Remove contaminated clothing and immediately wash skin with soap and water. If In Eyes: Immediately flush eyes with plenty of water. Get medical attention if irritation persists.

STORAGE AND DISPOSAL:

Do not contaminate water, food or feed by storage or cleaning of equipment.

Storage: Store in original container. KEEP OUT OF THE REACH OF CHILDREN. Do not store below 32° F. If exposed to temperatures below 32° F, thaw completely and mix well before using.

Unused Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Empty Container Disposal: Triple rinse (or equivalent) and offer for recycling, reconditioning, or puncture and dispose of in a sanitary landfill, or by other approved state and local procedures.

Notice - Limited Warranty: 3M guarantees only that the product, if used as directed, will perform as described on this label. 3M makes no other guarantees, warranties or promises for the product. The purchaser's sole and exclusive remedy shall be limited to product replacement or refund for the returned product at 3M's option. 3M will replace any product found by 3M to be defective.

The foregoing warranty is in lieu of all other warranties expressed or implied including the warranty of merchantability or fitness for a particular purpose. 3M shall not be liable for any damages, including incidental and/or consequential damages, regardless of the legal theory asserted, including negligence and/or strict liability arising out of the use of or the inability to use or the performance of the product.

Some states do not allow the exclusion or the limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

This warranty gives you specific rights, and you may also have other rights which vary from state to state. For any warranty questions, contact 3M Animal Care Products.
