US ENVIRONMENTAL PROTECTION AGENCY OFFICE OF PESTICIDES PROGRAMS REGISTRATION DIVISION (TS 767) WASHINGTON, DC 20460 NOTICE OF PESTICIDE: <input checked="" type="checkbox"/> REGISTRATION <input type="checkbox"/> REREGISTRATION <i>(Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended)</i>	EPA REGISTRATION NO.	DATE OF ISSUANCE
	TERM OF ISSUANCE	
	NAME OF PESTICIDE PRODUCT	

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

3M Animal Care Products
 2M Center, Building 270-2N-03
 St. Paul, MN 55144-1000

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

The following information was provided by the registrant:

a. The EPA Registration Number is 10350-26, "EPA Reg. No. 10350-26".

b. The full precautionary statement is "Inhalation hazard."

c. The full statement of hazard is "Irritant. May cause severe eye irritation. May cause severe skin irritation. May cause severe respiratory irritation. May cause severe irritation of the respiratory tract."

d. The registrant advised EPA charging the inert ingredients to be 100%, rather than 100.0%.

4. The dermal sensitization study either needs to be repeated or you need to do the following:

- a. Provide acceptable explanations of the incorrect statements and critical missing test values identified in the attached review.
- b. Clearly identify the test material utilized.

5. Submit one (1) copy of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

Richard F. Mountfort

PRECAUTIONARY STATEMENTS:

CAUTION

HAZARDS TO HUMANS AND DOMESTIC ANIMALS: Avoid contact with eyes. Use of this product on puppies and kittens less than six weeks of age should only be done under the advice of a veterinarian. Some animals and humans may be sensitive to insecticides.

STATEMENT OF PRACTICAL TREATMENT: In case of contact with eyes, immediately flush eyes with plenty of water. If adverse effects (difficult breathing, prolonged heavy salivation or lethargy) are observed in the pet, bathe the pet with soap and warm water. If adverse effects persist, seek medical attention.

UNUSED PESTICIDE STORAGE: Avoid freezing to prevent container damage. Do not store below 32°F. If exposed to temperatures below 32°F, warm to room temperature and shake well prior to use.

PESTICIDE DISPOSAL: Securely wrap original container in several layers of newspaper and discard in trash.

CONTAINER DISPOSAL: Replace cap and discard container in trash. Do not incinerate or puncture.

PHYSICAL OR CHEMICAL HAZARDS: Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposures to temperatures above 130° F may cause bursting.

Notice - Limited Warranty: 3M guarantees that the product, if used as directed, will perform as described on this label. **3M MAKES NO OTHER GUARANTEES, WARRANTIES OR PROMISES, EXPRESS OR IMPLIED, FOR THE PRODUCT. THE PURCHASER'S SOLE AND EXCLUSIVE REMEDY SHALL BE LIMITED TO PRODUCT REPLACEMENT OR REFUND FOR THE RETURNED PRODUCT AT 3M'S OPTION.** 3M will replace any product found by 3M to be defective.

THE FOREGOING WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. 3M SHALL NOT BE LIABLE FOR ANY DAMAGES, INCLUDING INDIRECT, SPECIAL, INCIDENTAL AND/OR CONSEQUENTIAL DAMAGES, REGARDLESS OF THE LEGAL THEORY ASSERTED, INCLUDING NEGLIGENCE AND/OR STRICT LIABILITY ARISING OUT OF THE USE OF OR THE INABILITY TO USE OR THE PERFORMANCE OF THE PRODUCT.

Some states do not allow the exclusion or the limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

This warranty gives you specific rights, and you may also have other rights which vary from state to state. For any warranty questions, contact 3M Animal Care Products.

SHAKE WELL BEFORE USING!

DIRECTIONS FOR USE: It is a violation of federal law to use this product in a manner inconsistent with its labeling.

1. For best results, wash pet with insecticidal shampoo recommended by a veterinarian prior to application of SECTROL FLEA FOAM. Rinse thoroughly from hair coat and towel to remove excess water.
2. Avoiding the pet's eyes and nose, place dispensing nozzle directly on the pet's hair and depress the top of the dispensing valve to deliver the foam. Foam may also be dispensed into the hand and applied to the pet.
3. Apply SECTROL FLEA FOAM to the pet's haircoat and massage haircoat until the foam disappears. Apply and massage-in enough foam to thoroughly moisten, but not soak, the entire haircoat including legs, feet and tail. The amount required will vary with the size of the pet and haircoat density. In cats, application of a one-second burst for each one-to-two pounds of body weight should provide effective coverage.
4. Allow your pet to dry. Do not towel dry as this will remove many of the SECTROL FLEA FOAM microcapsules. A blow dryer works well to shorten the drying time.
5. Wash hands thoroughly with soap and water after application.
6. Applied as directed, SECTROL FLEA FOAM provides flea kill for up to eight days. For best flea and tick control, reapply SECTROL FLEA FOAM weekly.

For temporary relief from biting flies and gnats on horses:

1. Apply SECTROL FLEA FOAM to areas of fly irritation. Moisten the skin but do not soak to dripping.
2. Do not spray directly into horses eyes or nose.
3. Repeat treatment as necessary.
