Duratrol™ Plus

Flea and Tick Dip For Dogs

Contains Microencapsulated Insecticide

Active Ingredient: Chlorpyrifos (0,0-Diethyl 0-(3, 5, 6-Trichloro-2-pyridyl) Phosphorothioate) 1.70%, Esthiolair® [γ-d/olothalolone 6-trans chrysothamone] 0.20%
 Inert Ingredients: 98.10%

*Minimum 72% 6-trans-Chrysothamone monocarboxylic ester of 6-(2-allyl-4-hydroxy-3-methyl-2-cyclopentene-1-ene)
 Maximum 28% Other Isomers

CAUTION

KEEP OUT OF THE REACH OF CHILDREN

See back label for additional precautionary statements

DIRECTIONS FOR USE - It is a violation of federal law to use this product in a manner inconsistent with its labeling.

SHAKE WELL BEFORE AND AFTER MIXING!

For 30-day control of fleas and 7-day control of Brown Dog Ticks on dogs:

PREPARATION: Dilute 3 fl. oz. (within contents of pouch) of dip into 1 gallon of water and stir or shake well. Bathe the dog with a shampoo which does not contain a cholinesterase inhibiting insecticide and rinse thoroughly. The dog does not need to be dry before applying the dip solution.

APPLICATION: Avoiding the dog's mouth, nose and eyes, apply the solution to the dog. Thoroughly wet the hair and skin. Either immerse the dog in the solution or apply the solution to the dog by pouring or sponging. Allow the dog to dry in warm air without traveling or staid. A flea diet may be used. Treatment may be repeated as frequently as every seven (7) days if needed. Repeat all steps including shampooing.

3 FL OZ (88 mL)

Available through veterinarians

CAUTION

Precautionary Statements

Hazards to Humans: Harmful if inhaled or absorbed through skin. Avoid contact with skin, eyes, or clothing. Avoid breathing vapor or spray mist. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

Hazards to Domestic Animals: **DO NOT APPLY TO CATS.** Do not apply to puppies less than 12 weeks of age or to bitches nursing puppies. Do not apply to sick or debilitated animals. Do not use this product within a few days prior to, simultaneously with, or within a few days after, exposure to other cholinesterase inhibiting drugs, pesticides or chemicals. Some animals may be sensitive to insecticides.

Environmental Hazards: This product is toxic to fish, birds and other wildlife. Do not contaminate water by cleaning of equipment or disposal of equipment washwaters.

Statement of Practical Treatment:

In case of contact with eyes: Immediately flush with plenty of water. If on skin: Wash with plenty of water. Get medical attention. If inhaled: Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. Get medical attention. Notes to physician or veterinarian: Active ingredient is a cholinesterase inhibitor. Treat symptomatically. Atropine by injection only, is the preferable antidote. Osmium, such as 2-PAM/Protopam, may be therapeutic if used early; however, use only in conjunction with atropine.

Pesticide Storage and Disposal

Pesticide Storage: Store product in original container out of the reach of children. Do not store above 120°F. Do not store below 32°F and avoid freezing to prevent container damage. If exposed to temperatures below 32°F, warm to room temperature and shake well before mixing.
Pesticide Disposal: Securely wrap original container in several layers of newspaper and discard in trash. **Empty Container Disposal:** Do not reuse container. Rinse thoroughly before discarding in trash.

Limited Warranty

The Manufacturer guarantees only that the product, if used as directed, will perform as described on this label. The Manufacturer makes no other guarantees, warranties or promises for the product. The Manufacturer will replace any product found by the Manufacturer to be defective. The foregoing warranty is in lieu of all other warrant or implied including the warranty of merchantability or fitness for a particular purpose. The Manufacturer shall not be liable for any damages, including incidental and/or consequential damages, regardless of the legal theory asserted, including negligence and/or strict liability arising out of the use of or the inability to use or the performance of the product. Some states do not allow the exclusion or the limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. For any warranty questions, contact March. Duratrol is a trademark of 3M.
