HAZARDS TO THE ENVIRONMENT: Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollution Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product into sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

DISPOSAL: Do not contaminate water by cleaning of equipment or disposal of equipment washwaters. Empty containers should be disposed of by state and local procedures.

STORAGE: Store in original container above 12°F to avoid freezing. Should freezing occur, thaw the product completely and mix thoroughly by agitation before use.

NOTICE - LIMITED WARRANTY

3M guarantees only that the product, if used as directed, will perform as described on this label. 3M makes no other guarantees, warranties or promises for the product. The purchaser's sole and exclusive remedy shall be limited to product replacement or refund for the returned product at 3M's option. 3M will replace any product found by 3M to be defective.

The foregoing warranty is in lieu of all other warranties expressed or implied including the warranty of merchantability or fitness for a particular purpose. 3M shall not be liable for any damages, including indirect, special, incidental and/or consequential damages, regardless of the legal theory asserted, including negligence and/or strict liability arising out of the use of or the inability to use or the performance of the product.

Some states do not allow the exclusion or the limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific rights and you may also have other rights which may vary from state to state. For any warranty questions, contact 1-800-361-1810.

MEC Eastern Pine Shoot Borer Pheromone Concentrate

This product is a timed-release microencapsulated pheromone concentrate used for mating disruption of the Eastern Pine Shoot Borer Moth (*Eucorma gloriola*) in Forest and Woodland applications.

Active Ingredient

EZ(20:40)-9-Dodecenyl acetate	20.0%
Other Ingredients	80.0%
Total	100.0%

EPA Reg. No. 10150-
EPA Est. No. 10350-CN-01

Net Contents - 1 U.S. Gallon (128 Liters)

CAUTION
KEEP OUT OF REACH OF CHILDREN

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This product is intended for use in preventing Pine Shoot Borer damage in pine trees, by interfering with mating communication between adult moths. Disruption of the mating process may result in a decrease in egg laying and subsequent larval infestation. Rates: Recommended rate of application is 1.03 to 2.05 ounces (6.07 to 12.14 grams) of product per acre, or 2.54 to 5.07 ounces (15 to 30 grams) per hectare. Apply with sufficient quantity of water to provide thorough and uniform coverage. Do not exceed 150 grams of active ingredient per acre/year. This product can be applied with conventional ground and aerial application equipment. Application of this product should occur 1 week before the adult flight season begins (early summer). Repeat applications should not be required. The use of pheromone traps and lures is recommended for timing the application of this product.

AGRICULTURAL USE REQUIREMENTS

Use this product only in accordance with its labeling and with the Worker Protection Standard 40 CFR Part 170. This standard contains requirements for the protection of agricultural workers on farms, forests, nurseries and greenhouses and handlers of agricultural pesticides. It contains requirements for training, decontamination, notification and emergency assistance. It also contains specific instructions and exceptions pertaining to the statements on this label about personal protective equipment (PPE). The requirements in this section only apply to uses of this product that are covered by the Worker Protection Standard. This product does not have a restricted entry interval.

STATEMENT OF PRACTICAL TREATMENT: In case of contact, immediately flush eyes or skin with plenty of water. Get medical attention if irritation persists.

PRECAUTIONARY STATEMENTS:

HAZARDS TO HUMANS: CAUTION: Irritating to skin and eyes. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling. Avoid breathing spray mist. Keep container closed when not in use.

Personal Protective Equipment (PPE): Applicators and other handlers must wear long sleeved shirt, long pants and shoes plus socks. Follow manufacturer's instructions for cleaning and maintaining PPE. If no such instructions for washables exist, wash with detergent and hot water. Wash and store PPE separately from other laundry.

MAY 20 1999

Under the Federal Insecticide, Fungicide, and Rodenticide Act, this product is being sold for the purpose of controlling pests on the premises of the purchaser.
