

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Do not apply this product in a way that will contact workers or other persons either directly or through drift. Only protected handlers may be in the area during application.

APPLICATION INSTRUCTIONS:

This product is intended for use in preventing Pink Bollworm damage in Cotton, by interfering with mating communication between adult moths. Disruption of the mating process may result in a decrease in egg laying and subsequent larval infestation thus reducing the need for conventional insecticides.

Recommended rate of application is:

Per Acre	Per Hectare
.33 to 1.67 fl. oz.	.82 to 4.13 fl. oz.
.02 to .10 pints	.05 to .25 pints
9.8 to 49.4 mls.	24 to 122 mls.

Apply as a tank mix with other pesticides, or in 1 to 3 gallons of water per acre (2.5 to 7.5 gallons per hectare). This product can be applied with conventional ground and aerial application equipment. A maximum of 6 repeat applications may be necessary within a 7 day interval, depending on pest pressure and temperature.

AGRICULTURAL USE REQUIREMENTS

Use this product only in accordance with its labeling and with the Worker Protection Standard 40 CFR Part 170. This standard contains requirements for the protection of agricultural workers on farms, forests, nurseries and greenhouses and handlers of agricultural pesticides. It contains requirements for training, decontamination, notification and emergency assistance. It also contains specific instructions and exceptions pertaining to the statements on this label about personal protective equipment (PPE). The requirements in this section only apply to uses of this product that are covered by the Worker Protection Standard. Do not enter or allow entry into treated areas during the restricted-entry interval (REI) of 4 hours. For any requirement specific to your state, consult the agency in your state responsible for pesticide regulation.

STATEMENT OF PRACTICAL TREATMENT: In case of contact, immediately flush eyes or skin with plenty of water. Get medical attention if irritation persists.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS. CAUTION Irritating to skin and eyes. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling. Avoid breathing spray mist. Keep container closed when not in use.

KEEP OUT OF REACH OF CHILDREN**

ACCEPTED

FEB 20 1998
Under the Federal Insecticide,
Fungicide, and Rodenticide Act,
as amended, for the pesticide
registered under
EPA Reg. No. 10350-49

PERSONAL PROTECTIVE EQUIPMENT (PPE): Applicators and other handlers must wear long sleeved shirt, long pants and shoes plus socks. Follow manufacturer's instructions for cleaning and maintaining PPE. If no such instructions for washables exists, wash with detergent and hot water. Wash and store PPE separately from other laundry.

HAZARDS TO THE ENVIRONMENT: Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product into sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

DISPOSAL: Do not contaminate water by cleaning of equipment or disposal of equipment washwaters. Empty containers should be disposed of by state and local procedures.

STORAGE: Store in original container above 32°F to avoid freezing. Should freezing occur, thaw the product completely and mix thoroughly by agitation before use.

NOTICE - LIMITED WARRANTY

3M guarantees only that the product, if used as directed, will perform as described on this label. 3M makes no other guarantees, warranties or promises for the product. The purchaser's sole and exclusive remedy shall be limited to product replacement or refund for the returned product at 3M's option. 3M will replace any product found by 3M to be defective. The foregoing warranty is in lieu of all other warranties expressed or implied, including the warranty of merchantability or fitness for a particular purpose. 3M shall not be liable for any damages, including indirect, special, incidental and/or consequential damages, regardless of the legal theory asserted, including negligence and/or strict liability arising out of the use of or the inability to use or the performance of the product. Some states do not allow the exclusion or the limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific rights and you may also have other rights which may vary from state to state. For any warranty questions, contact 1-800-265-1840.
