IF IN EYES OR ON SKIN:

SEEK IMMEDIATE MEDICAL ATTENTION. SHOW THIS LABEL TO THE PHYSICIAN.

MANUFACTURED BY:

DIRECTIONS

GREENWOODTM CHROMATED COPPER ARSENATE CONCENTRATE is for use after dilution only in pressure vessel equipped wood treating plants for the preservation of wood. Dilute this 50% solution to concentrations prescribed in American Wood Preservers' Association standards to achieve penetration and retention as specified. Pressure treatment of wood with this product provides protection against termites, wood-boring beetles, brown rot and dry rot.

WARRANTY

This product is warranted to be of merchantable quality and to conform to the specifications and standards of the American Wood Preservers' Association. The manufacturer shall not be liable for any damage to property or persons resulting from the use of this product.
