**WORLD COMPANY (GARDEN PRODUCTS)**

**2 FIRST STREET, E. NORWALK, CONN. 06855**

**CAUTION**

Harmful if swallowed. Contact with skin can cause toxic symptoms. Avoid breathing dust and spray mist. In case of contact with skin, wash with soap and water. Avoid contamination of feed and food-stuffs. Keep out of the reach of children. Keep children and pets off treated areas until this material is washed into the soil and the grass is dry.

Toxic to fish. Do not apply or allow to drift to areas occupied by unprotected humans or beneficial animals.

Keep out of any body of water.

Apply only as specified on this label.

**ANTIDOTE**

**EXTERNAL**—In case of spillage on skin, wash promptly with soap and water.

**INTERNAL**—Emetic of 1 tablespoonful mustard in tumbler of water. Call a physician.

**NOTICE:** Because World Company has no control over storage, handling and conditions of use, which are of critical importance, World Company makes no representation of warranty of any kind, either express or implied, and does not warrant results nor residues no greater than any tolerance which may be established by appropriate governmental agencies, nor does World Company assume any responsibility for injury to persons, crops, animals, soil or property arising out of the use, misuse, handling or storage of this material, whether in accordance with directions or not.

**DIRECTIONS**

For the control of ants, armyworms, chiggers, crickets, earwigs, grasshoppers, lawn moth or sod webworm, mole crickets, spiders and ticks, add 2 oz. of Chlordane 40 WP to 1 gal. water to spray the ornamental turf or ornamental plants per 1000 square feet (2.17 pounds actual Chlordane per acre). Repeat application when necessary.

For the control of Asiatic garden beetle larvae, European chafer larvae, Japanese beetle larvae, whitefringed beetle larvae, white grubs and wireworms, and add 3 oz. Chlordane 40 WP to 1 gal. water to treat or spray the ornamental turf per 1000 square feet (3.3 pounds actual Chlordane per acre).

For the control of mosquitoes, add 1 1/2 oz. of Chlordane 40 WP to 1 gal. water to spray the lawn and shrubbery per 1000 square feet (1.5 pound Chlordane per acre). Repeat application when necessary.
