FRM-CHEM, Inc.

Box 9903 St. Louis, Missouri 63122

DILUTION TABLE

1 ounce of FRM CHLOR in 3 gallons of water gives strength of 200 parts per million available chlorine for equipment sanitizing, teat and udder washing.

Degrades with age. Use a test kit and increase dosage as necessary to obtain required level of available chlorine.

WARNING: Harmful if swallowed. Skin and eye contact may cause severe irritation. Avoid contact with skin and eyes.

If splashed in eyes, flood with water. If contact with skin, wash off with water. If swallowed, give milk, white of raw eggs. Call a physician. Do not mix with other sanitizers, acid cleaners or ammonia. Will release hazardous gases. EPA Reg.No.10366-3
