DIRECTIONS FOR USE

To control **FIRE ANTS** use 50 pounds minimum of this product broadcast per acre. For individual mound treatment, use 4 ounces per square foot. To control **ANTS, JAPANESE BEETLE LARVAE, WHITE GRUBS, EARWIGS,** and **WIREWORMS** use 80 pounds of this product broadcast per acre to turf or soil and wash into soil lightly.

Do not allow children or pets on treated lawn area until the insecticide has been washed off the grass into the soil and the area completely dry.

WARNING

Do not inhale dust. Do not get on skin. Harmful if swallowed. Wash after handling. Avoid contamination of feed and foodstuffs.

Do not reuse empty container. Destroy it by burying with waste or burning. Stay away from smoke or fumes.

This product is toxic to fish and wildlife. Birds feeding on treated area may be killed. Keep out of any body of water. Do not apply where runoff is likely to occur. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on this label.

This product should be limited to lawns, ornamental turf, nursery and greenhouse soil - non food crops areas.

Seller makes no warranty, express or implied, by operation of law or otherwise, except that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use. This warranty shall not extend to the use of this product contrary to label instructions, or under abnormal conditions, or in combination with other material or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any injury or damage resulting from such use. Seller shall not be responsible for special, consequential or contingent damages arising from a breach of this warranty.
