Pasadena, TX 77502

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

How To Use This Product - This product is Ready To Use. Apply with the "Sprinkler" applicator cap. Simply invert the jug and sprinkle liquid herbicide over the undersirable weeds. Thoroughly wet leaves and stem surfaces. Treat weeds at any time they are troublesome.

Where To Use- The product is designed to stop weed growth along lawn borders, under fences, along sidewalks, buildings, drainage ditches, lumber yards, filling stations, power plants, around the base of fire plugs, guy wires, light poles, on gravel driveways, patios, and playgrounds where there are weeds that might breed insects, or pose a fire hazard or cause unsightly areas around dwelling, utility buildings, or vacant lots. Apply to tree stumps and sprouts that are freshly cut.

How Much To Use - One Quart will treat approximately 75 Sq.Ft. (- One Gallon will treat up to 300 Sq. Ft.) of weedy area. Spot treatment will conserve Liquid Edger when treating weeds growing through asphalt, concrete or graveled areas. For treatment under fencing one quart will treat a band 6 inches wide for 150 feet of fencing or a band 12 inches wide for 75 feet. (One gallon will treat a band 6 inches wide for 600 feet of fencing or a band 12 inches wide for 300 feet.)
