| | TERM OF ISSUANCE | |
| NOTICE OF PESTICIDE: <input type="checkbox"/> REGISTRATION <input checked="" type="checkbox"/> REREГИSTRATION <i>Under the Federal Insecticide, Fungicide, and Rodenticide Act as amended.</i> | NAME OF PESTICIDE PRODUCT | |

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Pesticide Registration Department
 2730 Woodrow Wilson Way
 Washington, DC 20548

160/176220
10/1

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an endorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

The Agency reserves the right to require additional data to be submitted by the registrant under 2(c)(7)(A) of the Act.

1. Submit/revise all labeling for registration/re-registration of your product under FIFRA section 2(c)(7) of the Act. Enclosed are all pertinent data to be submitted.

2. The labeling changes listed below for your product are the product labeling.

3. You are required to submit a label for your product.

4. Your use of the "Environmental Hazards" section of the label must be in line. This product is for indoor use only and therefore does not require conventional warnings.

5. You are required to submit a label stability study for this product within 18 months from the date of registration.

Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 (enclosed) for a further description of final printed labeling.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if inhaled or swallowed. Do not breathe dust. Avoid skin contact. Do not contaminate feed or foodstuffs. Avoid contact with skin, eyes and clothing. Wash thoroughly after handling and before eating or smoking.

ENVIRONMENTAL HAZARDS

This product is toxic to fish, birds, and other wildlife. Keep out of any body of water. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. STORAGE: Store product in its original container in a cool, dry, locked place out of reach of children. PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. CONTAINER DISPOSAL: BAG: Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or, if allowed by State and local authorities, by burning. If burned stay out of smoke. PLASTIC: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill or incineration, or, if allowed by State & local authorities, by burning. If burned stay out of smoke. HOUSEHOLD: Do not re-use empty container. Rinse thoroughly before discarding in trash.

**ROACH AND ANT CONTROL
GENERAL TREATMENT**

ROACHES: Apply a small amount of the powder directly to localized areas where cockroaches are found or normally occur, including dark corners of rooms and closets; cracks and crevices in walls; along and behind baseboards; beneath and behind sinks and cabinets, around plumbing and other utility installations. Treatments should be repeated as infestation warrants.

ANTS: Thoroughly dust ant trails and areas around door sills and window frames where the ants may enter. Treat the openings around water pipes, heat ducts, electrical outlets and baseboards where ants may come into rooms from wall spaces and partitions. Repeat application as necessary.

Do not allow dust to contact food, feedstuffs or water supplies. Thoroughly wash dishes and food handling utensils with soap and water if they become contaminated by application of this product.

**FOOD HANDLING ESTABLISHMENTS
PLACES OTHER THAN PRIVATE RESIDENCES IN WHICH EXPOSED FOOD IS HELD,
PROCESSED, PREPARED OR SERVED.**

A. FOOD AREAS

APPLICATION LIMITED TO CRACK AND CREVICE TREATMENT ONLY

Includes areas for receiving, storage, packing (canning, bottling, wrapping, boxing), preparing, edible waste storage and enclosed processing systems (mills, dairies, edible oils, syrups). Serving areas (when food is exposed and facility is in operation also would be considered a food area). Application limited to Crack and Crevice treatment only.

DIRECTIONS FOR USE (Cont.)

Apply in small amounts directly into cracks and crevices using a "BULBOUS DUSTER" in points between different elements of construction, between equipment and floors, openings leading to voids and hollow spaces in walls, equipment legs and bases where cockroaches hide.

Care should be taken to avoid depositing the product onto exposed surfaces or introducing the material into the air. Avoid contamination of food or food processing surfaces.

APPLICATION OF THIS PRODUCT IN THE FOOD AREAS OF FOOD HANDLING ESTABLISHMENTS, OTHER THAN A CRACK AND CREVICE TREATMENT ARE NOT PERMITTED.

B. NON-FOOD AREAS

Includes Garbage Rooms, Lavatories, Floor Drain, (to sewers) Entries and Vestibules, Offices, Locker Rooms, Machine Rooms, Boiler Rooms, Garages, Mop Closets, and Storage (after canning or bottling).

Apply a small amount of the powder following General Treatment methods to baseboard areas, around water pipes, surfaces behind and beneath sinks, lockers, tables, pallets and similar areas where cockroaches hide or through which they may enter.

NOTICE: Buyer and user assume all risk and liability of use, storage and/or handling of this product not in accordance with the terms of this label.
