PRECAUTIONARY STATEMENTS
Hazards to Humans and domestic Animals

CAUTION
Harmful if swallowed. Avoid contamination of feed and foodstuffs. Remove pets, birds and cover fish aquaria before spraying.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Keep out of lakes, ponds, streams, tidal marshes and estuaries. Do not contaminate water by cleaning of equipment or disposal of wastes.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with it's labeling.

To protect Horses from horn flies, house flies, mosquitoes and gnats, apply a light mist sufficient to wet the tips of the hair. To control stable flies, horse flies, and deer flies apply 2 ounces per adult animal, sufficient to wet the hair, but not to soak the hide. Repeat treatment once or twice daily or at intervals necessary to give continued protection.

To control blood-sucking lice, apply the spray lightly to infested areas, using a stiff brush to get the spray to the base of the hair. Use 2 ounces or less per animal. Repeat every two or three weeks as required. DO NOT USE ON HORSES INTENDED FOR HUMAN CONSUMPTION.

DISPOSAL

Do not reuse empty empty container. Wrap container and put in trash collection.

NOTICE: Buyer assumes all risks of use storage of handling of this product not in strict accordance with the directions given herewith.
