FLYING INSECT KILLER

Activated for quicker kill
Kills both flying and crawling insects

Directions: Shake gently before using. Remove cap. Hold container upright. Point spray opening away from you and press button.

TO KILL FLYS (including DDT-resistant strains), mosquitoes, gnats, wasps, flying moths and other flying insects. Close all doors and windows and direct spray upward into center of room with a slow sweeping motion. Spray 5-10 seconds for average room. Keep nozzle 3 feet from surfaces. Keep room closed for 15 minutes after spraying.

TO KILL ROACHES, waterbugs, silverfish, crickets, ants and other crawling insects. Spray baseboards, cracks, crevices, moist areas, and openings around sinks and pipes and other hiding places, hitting the insects directly. Spray out hole and out hole over window and door sill and other locations.

TO KILL ANTS, spray trails, nests, hills, around windows and sills and openings around pipes and baseboards where ants crawl, hitting as many as possible.

TO KILL FLEAS, spray animals' sleeping quarters and floors around area. Repeat at frequent intervals.

TO KILL BEDBUGS, spray baseboards, moldings, floor boards. Spray mattresses, particularly around seams and tufts from 3 feet. Take beds apart and spray bed frames. Repeat spraying at frequent intervals.

CAUTIONS: To avoid contamination of food and feed-stuffs, do not spray directly on them, or on utensils. When used in food processing plants as a space spray, use only when plant is not in operation. Remove or cover food during treatment. Cover all working surfaces or thoroughly clean before re-use. Do not puncture can or throw into fire or incinerator. Never set container on stove, radiator or store in place where temperature exceeds 120° F. Do not spray plastic or asphalt tile.

ACTIVE INGREDIENTS:

Pyrethrins	20%
*Piperonyl butoxide, technical	72%
N-octyl bicycloheptene dicarboximide	40%
Petroleum Distillate	8.68%

INERT INGREDIENTS:

90.00%
100.00%

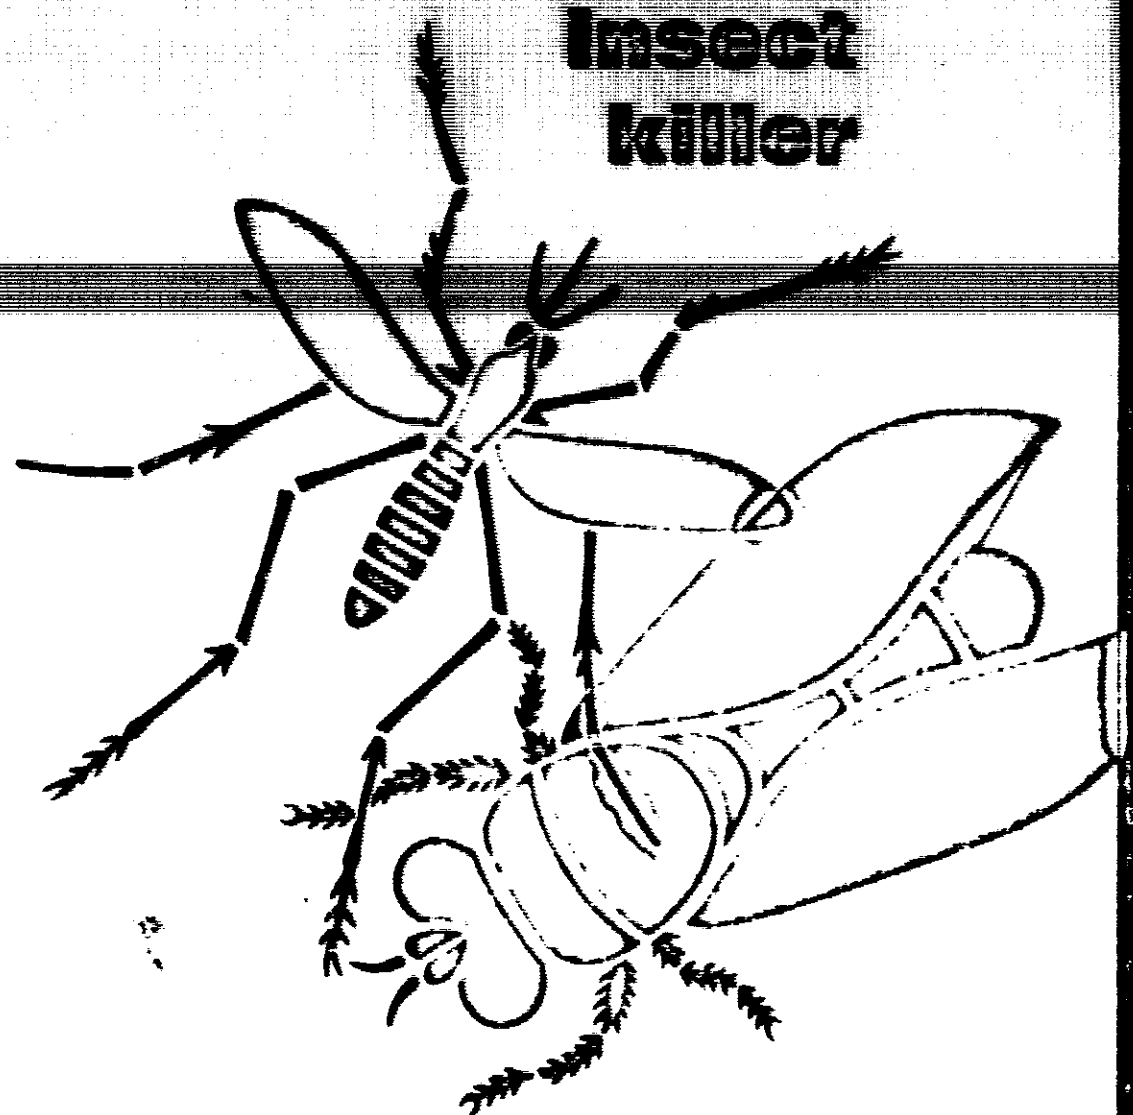

*Consists of .576% (butylcarbitol) 16-propylbenzoyl ether and 1.44% other related compounds.
