

**APPLICATION:** Apply SUPER LESCOPEX in warm weather under good growing conditions. Some injury to turf may result if this product is applied in very hot weather (over 90°) or in drought conditions. When applying SUPER LESCOPEX, always use equipment which applies the product uniformly. A boom-type sprayer is recommended. Use a coarse spray to minimize drift. To allow for best absorption of the chemical by the weeds, avoid cutting or mowing turf for at least one day before and after spraying. Water sprinklers should not be used for 24 hours after spraying.

**THE FULL EFFECTS OF SUPER LESCOPEX ARE NOT VISIBLE FOR ABOUT THREE WEEKS**

**STORAGE AND DISPOSAL DIRECTIONS**

**PROHIBITIONS:** Do not contaminate water, food, or feed by storage or disposal. Open dumping is prohibited.

**STORAGE:** Store containers, tightly closed, away from greenhouses, seeds, insecticides, fungicides, plants, fertilizers and water supplies.

**PESTICIDE DISPOSAL:** Pesticide, spray mixture or rinse that cannot be used or chemically processed should be disposed of in a landfill approved for pesticides or buried in a safe place away from water supplies. Wash out spray equipment, including nozzles, thoroughly with water containing a wetting agent or detergent fluid; refill with clear water and let stand over night. Empty spray equipment the following day.

**CONTAINER DISPOSAL:** (A) Reseal container and offer for reconditioning, or (B) triple rinse (or equivalent) and offer for recycling, reconditioning, or disposal in approved landfill, or bury in a safe place.

**WARNING**

SUPER LESCOPEX is a plant killer. Do not spray on flower beds, borders, or shrubbery. Do not allow spray to drift over flowering plants, vegetable gardens or other desirable vegetation. The first mowing after treatment should not be used as mulch for flowers and vegetables.

**KEEP OUT OF REACH OF CHILDREN**

SEE SIDE PANEL FOR ADDITIONAL PRECAUTIONARY STATEMENTS

NET CONTENTS: 55 Gal.

Manufactured by:  
**LAKESHORE EQUIPMENT AND SUPPLY COMPANY**  
South Abbe Road, Elyria, Ohio 44035

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

SUPER LESCOPEX is a stable aqueous solution containing the potassium salt of MCPP, equivalent to 40.9% of acid per gallon. It is non-flammable and non-corrosive to steel. SUPER LESCOPEX may be used on grasses such as bluegrass, bentgrass, bermudagrass or fescue for the control of many broadleaf weeds such as:

Common Chickweed ( <i>Stellaria media</i> )	Dichondra ( <i>Dichondra repens</i> )
Moose-ear Chickweed ( <i>Cerastium vulgatum</i> )	Pigweed ( <i>Amaranthus spp.</i> )
Clover ( <i>Trifolium spp.</i> )	Ragweed ( <i>Ambrosia spp.</i> )
Plantains ( <i>Plantago spp.</i> )	Lambsquarters ( <i>Chenopodium album</i> )
Knotweed ( <i>Polygonum aviculare</i> )	Ground Ivy ( <i>Glechoma hederacea</i> )

This product must be mixed with water prior to use.

<b>APPLICATION RATES:</b>	Per 1000 sq. ft.	Per acre
Established Greens	1 fl. oz. in 2.5 gallons water	2.7 pints in 30-40 gallons water

Established Turf, Fairways	1.5 fl. oz. in 2.5 gallons water	4 pints in 30-40 gallons water
----------------------------	----------------------------------	--------------------------------

**MIXING:** In order to insure even mixing, fill half the spray tank with clean water. Add required amount of SUPER LESCOPEX, mix thoroughly, and add more water as required. It is not necessary to add a sticking agent to SUPER LESCOPEX.

**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS AND DOMESTIC ANIMALS  
WARNING**

Avoid contact with skin, eyes and clothing. Harmful if swallowed. After using, wash hands and other parts of body contaminated with concentrate, spray or washing.

If swallowed, drink one or two glasses of water. Induce vomiting by placing finger in back of throat. Call a physician. Never give anything by mouth to an unconscious person.

**ENVIRONMENTAL HAZARDS**

This pesticide is toxic to fish. Keep out of lakes, ponds or streams. Do not contaminate water by cleaning of equipment or disposal of wastes.
