Miami, Florida 33143

Dear Mr. McLane:

Subject: Lesco Insect Repellent
EPA Reg. No. 10404-25
Submission of: July 29, 1991

The revised formula dated August 29, 1991, is acceptable and replaces all previously approved formula's under this registration. It is understood from our phone conversation of September 6 that petroleum distillate has not been a part of this formulation and that reference to it in the record has been in error. Submit a complete product chemistry matrix appropriate for this revised formulation containing isopropyl alcohol and five revised labels deleting the reference to petroleum distillate.

Sincerely,

Richard F. Mountfort
Product Manager 10
Insecticide/Rodenticide Branch
Registration Division (H7505C)

PRECAUTIONARY STATEMENT
Hazards To Humans and Domestic Animals
CAUTION: Harmful if swallowed. Avoid contact with skin. May cause eye irritation. To apply to face spray on. Do not allow children to rub eyes if hands in contact. In case of contact with eyes flush with plenty of water and get medical attention. Do not apply to excessive dry or aged skin. Do not expose treated surfaces to fire. If swallowed, do not induce vomiting. Call a physician for treatment.
Physical and Chemical Hazards
Flammable: Keep away from heat, sparks, and open flame.

Directions For Use
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL
Do not contaminate water, food or feed by storage or disposal. A spill resulting from the use of this product may be disposed of at an approved waste disposal facility. Storage: Store in a cool, dry place away from heat and open flame. Disposal: Do not reuse container. Replace cap and discard container in accordance with local, state or federal regulations.

HOW TO USE
To repel the insects as listed on the Front Panel, apply to the palm of hand and apply liberally to all exposed skin as needed. For Ticks and Chiggers, also apply to clothing, socks and around openings in clothing. Avoid contact with such as eyeglass frames, and such fabrics as silk, wool, and leather.

NOTICE: LESCO INC. warrants that this product conforms to the chemical description on its label. When used in accordance with the directions under normal conditions, this product will perform as intended purposes. Since timing, method of application, and other factors affecting the use of this product are beyond our control, no warranty is given concerning the use of this product under conditions which are abnormal or unforeseeable. The user assumes all risks of any such use. Corrected versions dated 10-01-90 of 04-27-90 accepted.
