NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Make the labeling changes listed below before you release the product for shipment:
  - a. Add the phrase "EPA Registration No. 10404-37."
  - b. In the Environmental Hazard Statement change "Do not apply product in areas ... supplies" to "Do not apply & avoid adjacent to potable water supplies."
  - c. The Pesticide Disposal statement must read:

Pesticide, spray mixture, or rinse water that cannot be used according to label instructions must be disposed of according to applicable Federal, State, or local regulations.

# LESCO PCNB + FERTILIZER

2/2

## A GRANULAR FUNGICIDE FOR CONTROL OF CERTAIN SOIL-BORNE TURFGRASS DISEASES AND 5-10-25 FERTILIZER.

### ACTIVE INGREDIENT:

Pentachloronitrobenzene .....	12.5%
<b>INERT INGREDIENTS:</b> .....	<b>87.5%</b>
Total .....	100%

### GUARANTEED ANALYSIS:

<b>TOTAL NITROGEN (N)</b> .....	5.00%
2.07% Ammoniacal Nitrogen	
2.92% Urea Nitrogen	
<b>AVAILABLE PHOSPHORIC ACID (P<sub>2</sub>O<sub>5</sub>)</b> .....	10.00%
<b>SOLUBLE POTASH (K<sub>2</sub>O)</b> .....	25.00%
Primary plant food sources: Urea, Ammoniated Phosphates and Sulphate of Potash.	
<b>SECONDARY PLANT NUTRIENTS:</b>	
Iron (Fe) .....	1.00%
Manganese (Mn) .....	1.00%
Sulfur (S) .....	8.70%
Secondary plant nutrient sources: Sulphate of Potash, Manganese Oxide and Fritted Iron.	

**ACCEPTED** *with attached comments*  
**AUG 18 1982**  
 Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, for the pesticide registered under EPA Reg. No. **10404-37**

BEST DOCUMENT AVAILABLE

**KEEP OUT OF REACH OF CHILDREN**  
**CAUTION**  
**STATEMENT OF PRACTICAL TREATMENT**  
 (First Aid Procedures)

If swallowed, induce vomiting. If on skin, remove contaminated clothing and wash skin with soap and warm water. If inhaled, remove to fresh air. If in eyes, flush with water for 15 minutes.  
 For further treatment, get medical attention.

**PRECAUTIONARY STATEMENTS**  
 Hazards to Humans and Domestic Animals  
**CAUTION**

Harmful if swallowed, inhaled or absorbed through skin. Avoid breathing dust. This material may cause skin irritation. Avoid contact with eyes, skin or clothing. Wear long-sleeve shirt while handling product. Wash hands and face after use and prior to eating, drinking or smoking. Wash contaminated clothing before reuse. Do not handle or apply product with bare hands. Keep out of reach of children.

**ENVIRONMENTAL HAZARDS**

This product is toxic to fish. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not apply product in areas which would permit runoff to contaminate water supplies.

**DIRECTIONS FOR USE**

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

**LAWNS AND TURF**

**Brown patch and Dollar spot:** For southern or warm season lawns such as St. Augustine, Bermuda and similar grasses: Make one application in the fall or spring at first indication of infection. Apply 6 lbs. per 1,000 sq. ft. Following application, the treated areas should be lightly watered to insure movement through the grass to soil level. If the treated area is subjected to unusually heavy rainfall, or flooded, or if the disease is severe or reappears, the area should be retreated 3 to 4 weeks later. For Dichondra: Treat as above, using 6 lbs. per 1,000 sq. ft. For Northern or cool season lawns such as Rye Grass, Fescue, Bluegrass, Bent or similar grasses: Apply 1.6 to 2.0 lbs. per 1,000 sq. ft. at first sign of disease. Repeat every 7 to 10 days during warm, damp weather. Water treated area lightly to wash chemical down to soil. Under certain growing conditions, a temporary discoloration of the grass occasionally may occur. This causes no harm and will disappear in a short time.

**Helminthosporium leaf spot:** Apply at rate of 4 to 6 lbs. per 1,000 sq. ft. Preventative applications should be made in spring or fall of each year. For control of existing infections, apply at the higher rate as soon as symptoms are first noted. Following applications, the treated area should be lightly watered to insure movement through the grass to soil level. If the treated area is subjected to unusually heavy rainfall, or flooded, or if the disease is severe or reappears, the area should be retreated 3 to 4 weeks later.

**Snow mold (Typhula incarnata, Fusarium nivale):** Apply at the rate of 4 to 6 lbs. per 1,000 sq. ft. using a granular lawn spreader or comparable equipment. Application should be made prior to first snowfall.

Do not graze treated areas or feed clippings to livestock.

**CAUTION:** For northern or cool season grasses, such as Rye Grass, Fescue, Bluegrass, Bent or similar grass, application is not recommended when temperatures exceed 75° F.

**STORAGE AND DISPOSAL**

**PROHIBITIONS:** Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited. Do not reuse empty container.

**PESTICIDE DISPOSAL:** Pesticide that cannot be used according to label instructions must be disposed of according to Federal, State or local procedures under the Resource Conservation and Recovery Act.

**CONTAINER DISPOSAL:** Dispose of bags according to approved Federal, State or local procedures under the Resource and Recovery Act.

**GENERAL:** Consult federal, state or local disposal authorities for approved alternative procedures such as limited open burning.

Lakeshore makes no warranty expressed or implied concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and handling of this material when such use and handling are contrary to label instructions.
