Application for Pesticide - Section I

1. Company/Product Number 10404-39	2. EPA Product Manager Jim Thompkins (25)	3. Proposed Classification <input type="checkbox"/> None <input type="checkbox"/> Restricted
4. Company/Product (Name) LESCO Fertilizer & Atrazine 22-5-7 + FE +MN	PM# 25	
5. Name and Address of Applicant (Include ZIP Code) LESCO, Inc. 15885 Sprague Rd. Strongsville, Ohio 44138 <input type="checkbox"/> Check if this is a new address	6. Expedited Review. In accordance with FIFRA Section 3(c)(3) (b)(i), my product is similar or identical in composition and labeling to: EPA Reg. No. _____ Product Name _____	

NOTIFICATION
DEC 28 2001

Section - II

<input type="checkbox"/> Amendment - Explain below.	<input type="checkbox"/> Final printed labels in response to Agency letter dated _____
<input type="checkbox"/> Resubmission in response to Agency letter dated _____	<input type="checkbox"/> "Me Too" Application.
<input checked="" type="checkbox"/> Notification - Explain below.	<input type="checkbox"/> Other - Explain below.

Explanation: Use additional page(s) if necessary. (For section I and Section II.)

Notification of per PR Notice(s) 98-10: optional language added and deletion of Sedge.
This notification is consistent with the provision of PR Notice 98-10 and EPA regulations at 40 CFR 152.46, and no other changes have been made to the labeling or the confidential statement of formula of this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statements to EPA. I understand that this notification is not consistent with the terms of PR Notice 98-10 and 40 CFR 152.46, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA.

Section - III

1. Material This Product Will Be Packaged in:				2. Type of Container	
Child-Resistant Packaging <input type="checkbox"/> Yes <input type="checkbox"/> No	Unit Packaging <input type="checkbox"/> Yes <input type="checkbox"/> No	Water Soluble Packaging <input type="checkbox"/> Yes <input type="checkbox"/> No		<input type="checkbox"/> Metal	<input type="checkbox"/> Plastic
* Certification must be submitted		If "Yes" Unit Packaging wgt.	No. per container	If "Yes" Package wgt	No. per container
				<input type="checkbox"/> Glass	<input type="checkbox"/> Paper
				<input type="checkbox"/> Other (Specify) _____	
3. Location of Net Contents Information <input type="checkbox"/> Label <input type="checkbox"/> Container		4. Size(s) Retail Container		5. Location of Label Directions <input type="checkbox"/>	
6. Manner in Which Label is Affixed to Product		<input type="checkbox"/> Lithograph <input type="checkbox"/> Paper glued <input type="checkbox"/> Stenciled		<input type="checkbox"/> Other _____	

Section - IV

1. Contact Point (Complete items directly below for identification of individual to be contacted, if necessary, to process this application.)

Name Bernadine Javorek	Title Manager, Regulatory Affairs	Telephone No. (Include Area Code) 440-783-9250 ext. 2218
---------------------------	--------------------------------------	---

Certification

I certify that the statements I have made on this form and all attachments thereto are true, accurate and complete. I acknowledge that any knowingly false or misleading statement may be punishable by fine or imprisonment or both under applicable law.

2. Signature 	3. Title Manager, Regulatory Affairs	6. Date Application Received (Stamped)
4. Typed Name Bernadine Javorek	5. Date 11/02/01	

Related Compounds	0.04%
INERT INGREDIENTS:	99.20%
Total	100.00%

CAUTION: Brush off walks and painted surfaces following application to avoid discoloration.

**KEEP OUT OF REACH OF CHILDREN
CAUTION**

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

Harmful if swallowed, inhaled or absorbed through skin. Avoid breathing dust or spray mist. Avoid contact with skin, eyes, or clothing. Wash thoroughly after handling. In case of contact: for eyes, flush with water for 15 minutes; for skin, wash with plenty of soap and water. Get medical attention if irritation persists.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to aquatic invertebrates. Do not apply directly to water, or to areas where surface water is present, or to intertidal areas below the mean high water mark. Runoff and drift from treated areas may be hazardous to aquatic organisms in neighboring areas. Do not contaminate water by cleaning of equipment or disposal of wastes. Atrazine can travel (seep or leach) through soil and can enter groundwater which may be used as drinking water. Atrazine has been found in groundwater. Users are advised not to apply Atrazine to sand and loamy sand soils where the water table (ground-water) is close to the surface and where the soils are very permeable; i.e., well drained. Your local agricultural agencies can provide further information on the type of soil in your area and the location of groundwater.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read the following carefully before application. Use this product only for recommended purposes and at recommended dosage.

For use on St. Augustinegrass and Centipedegrass lawns. **Do not use** on Bluegrass, Fescue, Bentgrass, Bahiagrass, Rye, Bermudagrass, or Dichondra lawns.

Post emergent broadleaf control of such weeds as: Chickweed, Creeping Charlie, Dandelion, Evening Primrose, Florida Betony, Florida Pusley, Lippia, Oxalis, Pigweed, Pennywort, Plantain, Rabbit Tobacco, and Toadflax.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container Disposal: Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

#XXXXXXXX

- Apply to control broadleaf weeds in a St. Augustine or established Centipede lawn.
 - Apply for greening and to build turf density
 - Covers x,xxx square feet
 - Controls Broadleaf Weeds
 - No phosphorus for the world we live in
 - The soil in most areas naturally contains enough phosphorus to support turfgrass growth and development. Scanic Green is formulated to provide nitrogen (X%) and potash (X%) needed for healthy, green and durable turf.
 - The best defense against weeds, diseases and insects is a vigorous, healthy turf. Many times a grass plant requires more of a nutrient than the soil can supply. If deprived of nutrients, the turf becomes thin, weak and off color. Turf left in this state is vulnerable to infestation of weeds, diseases and insects.
- A healthy, properly fertilized lawn is susceptible to weed invasion and will better tolerate cold, heat, drought and traffic. It also has greater recuperative potential from disease and insect damage. There is NO substitute for proper fertilizers.
- For product assistance, call LESCO at 1-800-321-5325.
 - Rotary spreaders are the most preferred. These spreaders reduce application time and "streaking" problems associated with drop spreaders. Drop spreaders work well on small lawns and confined areas. **IMPORTANT:** When using a drop spreader, overlap a wheel's width to minimize "streaking."

HOW TO APPLY: Apply 4.5 to 6.0 pounds of this product uniformly over 1,000 sq ft of lawn area (equivalent to 1.5 to 2.0 pounds Atrazine per acre.) this will provide 0.76 to 1 pound of actual nitrogen per 1,000 sq. ft. This will provide 0.76 to 1 pounds of actual nitrogen per 1,000 sq ft. Watering of treated area immediately after application is recommended to wash pellets off the grass blades.

CAUTION: Avoid application under the drip line of trees, shrubs, and ornamentals to prevent injury to plants. This product should not be applied to newly seeded Centipede until the new grass has been mowed at least once. Delay spring planting one month and seeding 6 months after application.
