Miami, FL 33143

Dear Mr. McLane:

Subject: Revised Label Text
Lesco Three-Way Selective Herbicide
EPA Registration No. 10404-43
Your Submission Dated July 22, 1991

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended; is acceptable with the following provisions:

- 1) Due to new EPA policy, part of the Environmental Hazards section has been changed. To comply, change the sentence "Do not apply to water or wetlands (swamps, bogs, marshes and potholes)" to read "Do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high water mark."
- 2) Add the phrase "per gallon" to the end of each acid equivalency statement beneath the Ingredients Statement.
- 3) The second sentence of the Environmental Hazards section contains a typographical error. Rewrite the second sentence to read "Drift or runoff may adversely affect aquatic invertebrates and non-target plants."

A stamped copy is enclosed for your records. Please submit five (5) final printed copies for the referenced label, incorporating the above changes.

Please note that the Agency still has not received certification of child-resistant packaging. As stated in the Agency letters dated April 20, 1988 and July 6, 1988, you must provide child-resistant packaging for this product on the one gallon container. If this condition is not being complied with, you are in violation of 40 CFR 157.32. If it has been complied with, you must submit a certification of child-resistant packaging as outlined in 40 CFR 157.34. Please respond immediately.

Sincerely yours,

Joanne I. Miller

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
DANGER - May be fatal if swallowed. Corrosive; causes eye damage and skin irritation. Do not get in eyes, on skin or clothing. Wear long pants, long-sleeved shirt, shoes, a face shield (goggles or safety glasses), and chemical resistant gloves when mixing, loading, or applying this product. Avoid breathing vapors. Avoid contamination of foodstuffs. Wash hands after use and before eating or smoking.

ENVIRONMENTAL HAZARDS
 This product is toxic to aquatic invertebrates. Drift or runoff may adversely affect aquatic invertebrates and non-target plants. Do not apply directly to water or wetlands (swamps, bogs, marshes and potholes). Do not contaminate water when disposing of equipment washwaters. Do not use on Bentgrass or St. Augustine grass as injury may result. Do not use on Clover or Dichondra. Vapors from this product may injure susceptible plants in the immediate vicinity. Apply this product only as specified on this label. **Groundwater contamination** - Most cases of groundwater contamination involving phenoxy herbicides have been associated with mixing/loading and disposal sites. Caution should be exercised when handling pesticide at such sites to prevent contamination of groundwater supplies. Use of closed systems for mixing and transferring this pesticide will reduce the probability of spills. Placement of the mixing/loading equipment on an impervious pad to contain spills will help prevent groundwater contamination.

DIRECTIONS FOR USE
 It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Do not apply this product through any type of irrigation system.

REENTRY INTO TREATED AREAS
 Do not reenter or permit others to reenter treated areas until sprays have dried.

STORAGE AND DISPOSAL
 Do not contaminate water, food or feed by storage or disposal.
STORAGE: Store product in its original labeled container in a cool, dry, locked place, out of reach of children. Store away from seeds, feeds, fertilizers, insecticide, and fungicides. Keep from freezing.
PESTICIDE DISPOSAL: Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.
CONTAINER DISPOSAL: (Metal) Triple rinse (or equivalent). Then offer for recycling or reconditioning or puncture and dispose of in a sanitary landfill or by other procedures approved by State and local authorities. (Plastic) Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned stay out of smoke.

Cleaning of Equipment: When cleaning equipment, do not pour the washwater on the ground; spray or drain over a large area away from wells and other water sources.

LESCO

THREE-WAY

SELECTIVE HERBICIDE

REGISTERED UNDER FEDERAL PESTICIDE ACT
 In EPA Letter Dated 10/18/1991

FOR PROFESSIONAL TURF MAINTENANCE OPERATORS ONLY

(Contains 0.22 lbs. Dicamba (3,6-dichloro-o-anisic acid) and 2.44 lbs. 2,4-D per Gallon)

Under the Federal Insecticide, Fungicide, and Rodenticide Act as amended, for the pesticide registered under EPA Reg. No. 10404-43

KEEP FROM FREEZING

ACTIVE INGREDIENTS:

*Dimethylamine Salt of Dicamba (3,6-dichloro-o-anisic acid)	2.02%
**Dimethylamine Salt of 2-(2-methyl-4-chlorophenoxy) propionic acid	15.36%
***Dimethylamine Salt of 2,4-Dichlorophenoxyacetic acid	32.67%
INERT INGREDIENTS:	48.15%
Total	100.00%

*Equivalent to 2.30% or 0.22 lbs. of (3,6-dichloro-o-anisic acid)
 **Equivalent to 13.50% or 1.30 lbs. of (2-methyl-4-chlorophenoxy propionic acid)
 ***Equivalent to 27.10% or 2.44 lbs. of 2,4-Dichlorophenoxyacetic acid (isomers Specific by AOAC 14th Edition #6.321)

KEEP OUT OF REACH OF CHILDREN DANGER

"PRECAUCION AL USUARIO: Si usted no lee ingles, no use este producto hasta que la etiqueta haya sido explicado ampliamente"

STATEMENTS OF PRACTICAL TREATMENT

IF SWALLOWED: Call a physician or Poison Control Center immediately. Induce vomiting by giving victim 1 or 2 glasses of water and touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious or convulsing person.

IF INHALED: Remove victim to fresh air and apply artificial respiration if indicated. Get medical attention. **IF IN EYES:** Flush eyes with plenty of water. Get medical attention immediately. **IF ON SKIN:** Remove contaminated clothing and wash affected area with soap and water. Get medical attention if irritation persists.

See Side/Back Panel For Additional Precautionary Statements
