Precautionary Statements

Hazards to Humans and Domestic Animals

DANGER

Corrosive. Causes irreversible eye damage. Wear goggles or eye shield when handling this product. Harmful or fatal if swallowed. Avoid breathing spray mist. Do not get in eyes or on clothing. May be a potential skin sensitizer. Avoid contact with skin or clothing. Remove contaminated clothing and wash before reuse.

Note to User: This product may produce temporary allergic side effects characterized by redness of the eyes, mild bronchial irritation and redness or rash on exposed skin areas. Persons having an allergic reaction should contact a physician.

First Aid

If in eyes: Flush with plenty of water. Call a physician.

If swallowed: Drink promptly a large quantity of milk, egg whites, gelatin solution, or if these are not available, drink large quantities of water. Avoid alcohol.

If on skin: Wash exposed areas with soap and warm water after handling or using.

Note to physician: Probable mucosal damage may contraindicate the use of gastric lavage. Persons having an allergic reaction respond to treatment with anti-histamines or steroid creams and/or systemic steroids.

Environmental Hazards

This product is toxic to fish, aquatic invertebrates, and marine/estuarine organisms. Runoff from treated areas may be hazardous to aquatic organisms

in neighboring areas. Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters. Do not apply when weather conditions favor drift from treated areas. Do not graze treated areas. Do not feed clippings to livestock.

Directions for Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Read all Directions for Use carefully before applying.

Not for Use in California

STORAGE AND DISPOSAL

Storage: Store in a cool place. Protect from excessive heat. Avoid freezing.

Pesticide Disposal: Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited. Pesticide wastes are toxic. Improper disposal of excess pesticide, pesticide spray or mist is a violation of Federal law. If these wastes cannot be disposed of according to label instructions,

contact your state pesticide or environmental control agency, or the hazardous waste representative at the nearest EPA regional office for guidance.

Container Disposal: Do not reuse empty container. Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

 **DowElanco**
Broadway*

Specialty Fungicide

For commercial use only on:
golf courses, parks, athletic
fields, commercial and
residential turfgrass areas.

Active Ingredients:

Chlorothalonil:	
tetrachloroisophthalonitrile	11.5%
Fenamol: α -(2-chlorophenyl)- α -(4-chlorophenyl)-5- pyrimidinemethanol	2.5%
Inert ingredients	56.0%
TOTAL	100.0%

Contains 4.17 pounds chlorothalonil
plus .25 pounds fenamol per gallon.

*Trademark of DowElanco
EPA Reg. No. 10404-60-62719

General Information

Broadway is a combination of chlorothalonil, a contact fungicide, and fenarimol, a locally systemic fungicide, in a proven 16:1 ratio for the protection against fungal turfgrass diseases. Two different active ingredients team up for highly effective control of a broader spectrum of turfgrass plant diseases when used according to the directions on this product label.

Chemigation: Do not apply this product through any type of irrigation system.

Mixing Instructions

Slowly invert container several times to assure uniform mixture. Broadway should be added to the spray tank during the last half of the filling operation. Add the required amount of Broadway to the spray tank while keeping the agitator running. Agitate thoroughly during the spraying operation to insure a uniform spray mixture. Use only a properly calibrated sprayer with nozzle screens and in-line strainers no finer than 50 mesh. Apply mixture in sufficient water volume for uniform coverage of turfgrass plant surfaces. Do not combine Broadway in the spray tank with pesticides, surfactants, or fertilizer unless your prior use has shown the combination to be physically compatible, effective and noninjurious under your conditions of use. Do not mow or water after treatment until spray deposit on turfgrass is thoroughly dry.

Broadway Fungicide

EARLY SPRING PREVENTIVE PROGRAM

Disease	Recommended Rates (Fl oz per 1000 sq ft)	Recommended Rates (Gallons per Acre)	Spray Interval (Days)	Comments (See Below)
Leaf Spot. (<i>Helminthosporium</i> , <i>Drechslera</i> spp., <i>Bipolaris</i> spp.)	3.0 - 5.25	1.0 - 1.75	14 - 21	1

SUMMER PREVENTIVE PROGRAM

Dollar Spot (<i>Sclerotinia</i> <i>homeocarpa</i> , or <i>Moellerodiscus</i> and <i>Lanzia</i> spp.)	3.0 - 4.5	1.0 - 1.5	14 - 21	1
Anthrachnose (<i>Colletotrichum</i> <i>graminis</i> ; <i>cola</i>)	6.0 - 8.0	2.0 - 2.66	14 - 21	1
Rhizoctonia Blight / Large Brown Patch (<i>Rhizoctonia solani</i>)	3.0 - 6.0	1.0 - 2.0	7 - 10	1

OTHER DISEASES OF TURFGRASS

Gray Leaf Spot (<i>Pyricularia grisea</i>)	3.0 - 9.0	1.0 - 3.0	7 - 10	1.2
Curvulana	3.0 - 9.0	1.0 - 3.0	7 - 10	1.2
Corticium Red Thread (<i>Laetisaria fuciformis</i>)	3.0 - 9.0	1.0 - 3.0	7 - 10	1.2
Copper Spot (<i>Gloeocercospora</i> <i>sorghii</i>)	3.0 - 6.0	1.0 - 2.0	10 - 21	1.3
Powdery Mildew (<i>Erysiphe graminis</i>)	8.0 - 16.0	2.66 - 5.33	30	1.3

Disease	Recommended Rates (Fl oz per 1000 sq ft)	Recommended Rates (Gallons per Acre)	Spray Interval (Days)	Comments (See Below)
Stem Rust of Bluegrass (<i>Puccinia</i> spp.)	6.0 - 9.0	2.0 - 3.0	7 - 14	1, 2
Spring Dead Spot (<i>Leptosphaeria korrae</i>)	18.0	6.00	Single Application	4, 7
Take-All-Patch (<i>Gaeumannomyces graminis</i>)	18.0	6.00	Two Applications	5, 7

WINTER DISEASES

Fusarium Patch/Pink Snow Mold (<i>Microdochium nivale</i>)	16.0	5.33	One or More Applications	5, 6
Typhula Blight/Gray Snow Mold (<i>Typhula incarnata</i>) (<i>Typhula ishikawensis</i>)	16.0	5.33	One or More Applications	5, 6

- 1) Use the high rate and shorter interval during conditions favoring heavy disease pressure.
- 2) Begin applications when conditions favor disease development and repeat applications as long as these conditions persist.
- 3) Applications to areas with visible disease symptoms should be made at the highest rate listed for that disease and continued at the shortest spray interval for that rate until the disease is brought under control. At this time, the lower rate, longer spray interval recommendations can begin.
- 4) Single application in September.

- 5) Application should be made within a 30-day interval prior to snow cover or frozen soil.
- 6) If snow cover is intermittent or lacking, repeat applications every 3-4 weeks until disease conditions no longer prevail.
- 7) Applications for take-all-patch, and spring dead spot should be applied to the turfgrass and thoroughly irrigated with 1/2 to 1 inch of water.

Warranty Disclaimer

DowElanco warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in strict accordance with the directions, subject to the inherent risks set forth below. DOWELANCO MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY OTHER EXPRESS OR IMPLIED WARRANTY.

Inherent Risks of Use

It is impossible to eliminate all risks associated with use of this product. Injury to non-target vegetation, lack of performance, or other unintended consequences may result because of such factors as use of the product contrary to label instructions (including conditions noted on the label, such as unfavorable temperatures, soil conditions, etc.), abnormal conditions (such as excessive rainfall, drought, tornadoes, hurricanes), presence of other materials, the manner of application, or other factors, all of which are beyond the control of DowElanco or the seller. All such risks shall be assumed by Buyer.

Limitation of Remedies

The exclusive remedy for losses or damages resulting from this product (including claims based on contract, negligence, strict liability, or other legal theories), shall be limited to, at DowElanco's election, one of the following:

- (1) Refund of purchase price paid by buyer or user for product brought, or
- (2) Replacement of amount of product used.

DowElanco shall not be liable for losses or damages resulting from handling or use of this product unless DowElanco is promptly notified of such loss or damage in writing. In no case shall DowElanco be liable for consequential or incidental damages or losses.

The terms of the Warranty Disclaimer above and this Limitation of Remedies cannot be varied by any written or verbal statements or agreements. No employee or sales agent of DowElanco or the seller is authorized to vary or exceed the terms of the Warranty Disclaimer or this Limitation of Remedies in any manner.
