NOTIFICATION

JUL 11 2006

Explanation: Use additional page(s) if necessary. (For section I and Section II.)

Optional Marketing and Fertilizer Statements

This notification is consistent with the provisions of PR Notice 98-10 and EPA regulations at 40 CFR 152.46 and no other changes have been made to the labeling or the confidential statement of formula of this product. I understand that it is a violation of 18 U.S.C. Sec 1001 to willfully make any false statement to EPA. I further understand that if this notification is not consistent with the terms of PR Notice 98-10 and 40 CFR 152.46, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA.

4. Typed Name Susan E. Spencer	5. Date 6/13/06	

FIRST AID

If inhaled	<ul style="list-style-type: none"> • Move person to fresh air. • If person is not breathing, call 911 or ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. • Call a poison control center or doctor for further treatment advice.
If on skin or clothing	<ul style="list-style-type: none"> • Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15-20 minutes. • Call a poison control center or doctor for treatment advice.
If in eyes	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for treatment advice.
If swallowed	<ul style="list-style-type: none"> • Call poison control center or doctor immediately for treatment advice. • Have person sip a glass of water if able to swallow. • Do not induce vomiting unless told to do so by the poison control center or doctor. • Do not give anything by mouth to an unconscious person.

HOT LINE NUMBER

Have the product container or label with you when calling a poison control center or doctor, or going to treatment. You may also contact 1-(800) 424-9300 for emergency treatment information.

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

WARNING: Causes eye and skin irritation. Avoid contact with skin, eyes, or clothing. Thoroughly wash face and hands with soap and water after exposure and before eating or smoking. Wear protective clothing including long-sleeved shirt and gloves when handling. Launder exposed clothing before reuse. Do not allow domestic animals to graze treated areas. Avoid contamination of feed and foodstuffs.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish. Do not apply directly to water, or to areas where surface water is present, or to intertidal areas below the mean high water mark. Do not apply when weather conditions favor drift from treated areas. Do not apply where runoff is likely to occur. Do not contaminate water when disposing of equipment washwaters. Apply only as specified on this label.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal. **Storage:** Store product in its original bag, in a cool, dry, locked place out of the reach of children. In case of spill, sweep up, and use according to directions or dispose of as follows: **Pesticide Disposal:** Pesticide wastes are toxic. Improper disposal of excess pesticide or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the hazardous waste representative at the nearest EPA regional office for guidance. **Container Disposal:** Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.

FOR LAWNS AND ORNAMENTAL TURF

When applied according to directions, this product can be used safely on the following established turfgrass varieties: Bermudagrass, Perennial Bluegrass, Perennial Ryegrass, St. Augustinegrass, Tall Fescue, and Zoysiagrass lawns and ornamental turf. It may be used for parks, golf courses, athletic fields, cemeteries, and all other ornamental and recreational turfgrass areas.

CONTROLS GRASSY WEEDS AND BROADLEAF WEEDS

Annual Bluegrass (*Poa annua*), Barnyardgrass, Crabgrass, Fall Panicum, Florida Pusley, Goosegrass, Green Foxtail, Oxalis, Stinging Nettle, Carpetgrass, Pigweed.

HOW TO APPLY

Measure the area to be treated and uniformly apply amount using a fertilizer spreader (see Spreader Settings chart). Do not apply to turf when it is wet. Do not overlap spreader application on St. Augustinegrass since discoloration "streaking" may temporarily occur from "double rate". After application, if rain is not expected within 24 hours, sprinkle the treated turf with 1/4" to 1/2" of water to get maximum weed control.

HOW MUCH TO USE

For Crabgrass: Apply 50 lb/10,400 sq ft (4.8 lb/1,000) when turf has been in a yearly maintenance program (equal to 2 lb A.I. herbicide per acre). Apply 50 lb to treat 6,900 sq ft (7.25 lb/1,000) of lawn if it has been heavily infested with crabgrass (equal to 3 lb A.I. herbicide per acre). Apply in early spring 1 to 2 weeks prior to weed seed germination. This product is a pre-emergent herbicide. It will not control emerged and growing weeds; only germinating weed seeds. Late applications will control only those weed seeds that germinate after the application. See "When to Apply" chart.

Goosegrass and Prostrate Spurge: These weeds do not usually germinate until late spring or early summer. Apply 50 lb to treat 5,200 sq ft of lawn (9.6 lb/1,000 sq ft; 4 lb A.I./acre) and apply 1 to 2 weeks prior to seed germination. See chart for when to apply. Observe maximum rate for St. Augustinegrass: 50 lb/6,900 sq ft.

For Annual Bluegrass (*Poa annua*): Apply 50 lb per 5,200 to 6,050 sq ft of lawn (8.25-9.6 lb/1,000 sq ft; equal to 3.5 to 4 lb A.I. herbicide per acre). Apply in late summer to fall or in early spring 1 to 2

1. _____ 2. _____ 3. _____
4. _____ 2a. _____ 4. _____
1. For Crabgrass and other Grasses and Broadleaf Weeds germinating in the Spring in Northern Turf.
 - 1a. For Crabgrass in Southern Turf.
 2. For Goosegrass and other Late Germinating Annual Grasses and Broadleaf Weeds such as Prostrate Spurge.
 - 2a. Goosegrass in Southern Turf.
 3. For Poa annua in Northern Turf.
 - 3a. For Poa annua in Southern Turf.
 4. For Fall-Winter-Spring control of Annual Weeds in Southern Turf.

PRECAUTIONS FOR USING

Do not use on desirable Red Fescue, Bentgrass varieties, Dichondra, or Centipedegrass since damage will occur. Do not use on putting greens or "tees" due to varying cultural practices used. Use only the rate of 50 lb to treat 6,900 sq ft (7.25 lb/1,000 sq ft) on St. Augustinegrass since temporary discoloration will occur from heavier rates. Avoid contact with flowers and shrubs except as recommended on the Ornamental Use Supplement Labeling available for this product. For newly seeded lawns, do not apply this product until after the second or third cutting.

RESEEDING TREATED AREAS

Delay new seeding until 4 months after treatment.

SUBJECT: Notification – Optional Language and Fertilizer Statements
EPA #10404-93 LESCO Ronstar 0.63% Plus Fertilizer
EPA #10404-63 LESCO Ronstar 0.95% Plus Fertilizer

Dear Ms. Miller:

Notifications are being submitted for your review and acceptance to address the following:

- ◆ Addition to Optional/Marketing statements:
 - Contains LESCO® Poly Plus® Sulfur Coated Urea to provide uniform growth with extended nitrogen feeding.”
- ◆ Clarification of ‘Derived From’ statement in the Guaranteed (Fertilizer) Analysis box:
 - “Slowly Available Urea Nitrogen from Polymer Coated sulfur Coated Urea”
- ◆ Clarification of ‘Poly Plus’ composition in the Trademarks section:
 - “Poly Plus is comprised of Polymer Coated sulfur Coated Urea”

The following documentation is provided in support of the above:

- ◆ 8570-1: Notification request form for each EPA registration number
- ◆ One (1) highlighted label of each EPA registration noting the above items
- ◆ Five (5) copies of the clean label for each EPA registration

If you have any questions, or further clarification is required, please feel free to contact me at sspencer@lesco.com or 1-216-706-9250 ext 2343.

Thank you for your assistance on this matter.

Sincerely,

Susan E. Spencer
Manager
Regulatory Affairs
