PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS

WARNING

HARMFUL IF SWALLOWED OR ABSORBED THROUGH THE SKIN.

CAUSES SKIN IRRITATION AND EYE DAMAGE. DO NOT BREATHE VAPOR OR SPRAY MIST. KEEP AWAY FROM HEAT AND OPEN FLAME. KEEP CONTAINER CLOSED.

Do not get on skin, in eyes, or on clothing.

Wear goggles or face shield and rubber gloves when handling

Wash thoroughly after handling.

STATEMENT OF PRACTICAL TREATMENT:

EYE: In case of contact, flush eyes immediately with water for at least 15 minutes and get medical attention.

SKIN: In case of contact, wash with soap and water. If irritation persists, call a physician. Wash contaminated clothing before reuse. INTERNAL: If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution, or if these are not available, drink large quantities of water. Do not induce vomiting. Call a physician immediately.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression, and convulsion may be needed.

ENVIRONMENTAL HAZARDS:

This product is toxic to fish. Do not discharge effluent containing this active ingredient into lakes, streams, ponds, estuaries, oceans, or public waters unless this product is specifically identified and addressed in an NPDES permit. Do not discharge effluent containing this product to sewer systems without previously notifying the sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA

NOTICE: Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such and/or handling is contrary to the label instruction.
