EPA Reg. No. 10445-32

DIRECTION FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

The amount of product necessary for the desired level of microbiological control varies with the material being protected for best results. TK-50 Dispersion should first be tested on the particular material to assure adequate protection. Consult the Product Bulletin for specific use directions.

This product has not been cleared for use in paper or paperboard products intended for use in contact with food.

STORAGE AND DISPOSAL:

Keep container closed when not in use. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Container Disposal - Do not reuse container.

Metal containers - Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other approved state and local procedures. Plastic containers - Dispose as for metal containers. May also be incinerated, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.

NOTICE: Seller expressly warrants that the product conforms to its chemical description. There are no warranties associated with the sale of this product either expressed or implied, including but not limited to the warranties of fitness for a particular purpose or merchantability.
