

MAR 05 1992

Calgon Corporation
P.O. Box 1346
Pittsburg, PA 15230

Attn: Stanley C. Oslosky

Subject: Metosol D5T-H
EPA Registration Number 10445-35
Amendment dated January 23, 1992

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below. A stamped copy of the label is enclosed for your records. Five copies of the finished labeling must be submitted before you release the product for shipment.

Delete the statement "May cause skin sensitization" in the precautionary statements. Note that a dermal sensitization study must be submitted to support this statement.

If you have any questions concerning this letter, please contact Martha DeLaney at (703) 305-6982.

Sincerely,

John H. Lee 
Product Manager 31
Antimicrobial Program Branch
Registration Division H7505C
