Subject: Metasol T-10WB
EPA Registration No. 10445-60
Your Amendment Re-submission Dated October 28, 1992

Dear Mr. Oslosky:

This is in response to your label amendment, for adding uses in metalworking fluids, adhesives, and emulsions, re-submitted in response to the Agency letter dated June 12, 1992.

The amendment referred to above, submitted in connection with registration under section 3(c)(7)(A) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), is acceptable provided that you:

1. Submit/cite all data or other material required for registration/ reregistration of your product under FIFRA section 3(c)(5) or FIFRA section 4 when the Agency requires all registrants of similar products to submit such data.
2. Submit five (5) copies of your final printed labeling before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

Ruth G. Douglas
Product Manager 32

PRACTICAL STATEMENTS OF TREATMENT:

EYES: In case of contact, flush with plenty of water for at least 15 minutes. Get medical attention immediately.

SKIN: In case of contact, flush with plenty of soap and water. Get medical attention immediately.

INTERNAL: If swallowed, call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger or, if available, by administering syrup of ipecac. Do not induce vomiting or give anything by mouth to an unconscious person.

INHALATION: Immediately remove affected person from contaminated area to fresh air. Immediately contact physician.

KEEP OUT OF REACH OF CHILDREN

DANGER

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER!

CAUSES EYE BURNS AND SKIN IRRITATION.
HARMFUL OR FATAL IF SWALLOWED OR ABSORBED
THROUGH SKIN.

Do not get in eyes, on skin, or on clothing.

Do not breathe vapors.

Use with adequate ventilation.

Wear goggles or face shield and rubber gloves when
handling.

Wash thoroughly after handling.

Immediately remove and wash contaminated clothing
before reuse.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not discharge into lakes,
streams, ponds, or public waters unless in accordance
with a NPDES permit. For guidance, contact your re-
gional office of the EPA. Do not contaminate water by
cleaning of container and equipment or disposal of
wastes. Apply this product only as specified on this
label.

STORAGE AND DISPOSAL

Keep container closed when not in use. Do not contam-
inate water, food, or feed by storage or disposal. Reseal
empty container and offer for reconditioning or bury in
a landfill approved for pesticide disposal.

DIRECTIONS FOR USE

Adhesives, Emulsions

Metasol T-10WB should be incorporated into the mixture at rates of 0.2 to 2.0 lbs.
(2.9 to 29.5 oz.) per 1,000 lbs. of total formula weight. Moderate agitation
should accompany the addition of Metasol T-10WB. Adding Metasol T-10WB
after steps involving extremes of temperature of pH, and adding Metasol T-10WB
with make-up water are good manufacturing practices.

Metal Working Fluids

Should be added or mixed into the final diluted fluid, either prior to its addition
to the system, or after the system has been filled. Metasol T-10WB should be
thoroughly mixed into the system to assure efficacy. Usage at a rate of 0.5 to 5.0
lbs. product (7.4 to 73.7 oz.) per 1,000 lbs. of diluted fluid will usually be
effective. However, laboratory testing to determine the exact dose is
recommended.
