

U.S. ENVIRONMENTAL PROTECTION AGENCY OFFICE OF PESTICIDES PROGRAMS REGISTRATION DIVISION #11567 WASHINGTON, D.C. 20460	EPA REGISTRATION NO.	DATE OF ISSUANCE
	TERM OF ISSUANCE	
	NAME OF PESTICIDE PRODUCT	

NOTICE OF PESTICIDE: REGISTRATION REREGISTRATION
(Under the Federal Insecticide, Fungicide and Rodenticide Act, as amended)

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

CARSON CORPORATION
 P. O. BOX 1146
 HARTSBURG, PA. 17325

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an endorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(c) provided that you:

1. Submit and/or cite all data required for registration/re-registration to your product under FIFRA Section 3(c)(5) when the Act requires all registrants of similar products to submit such data.

2. Add the phrase "EPA Registration No. 1-945-83" to your label before you release the product for shipment.

3. Submit five copies of your final printed labeling to EPA before you release the product for shipment. Refer to the 4-79 brochure for further description of final printed labeling.

If these conditions are not complied with, the registration will be canceled. The registrant is authorized, with effect section 3(c)(7)(c), to use the registration number of this product for shipment of this product to states for acceptance of their registrations.

Very truly yours,
 [Signature]

Consult product label and instruction manual on the chlorine dioxide generator system before using H-5000.

PRECAUTIONS

DANGER! (Contains Sodium Chlorite)

- Alkaline solution. May cause burns. Causes eye and skin damage. Harmful if swallowed. Contact with acids may release toxic gas. Strong oxidizer. Contact with organic material may cause fire.

- Do not get in eyes, on skin, or on clothing. Keep from contact with clothing and other combustible materials. Keep from contact with acids. Do not breath vapor or fumes. If spilled, flush spillage to drain with large quantities of water. Wear goggles or face shield, neoprene gloves only, and protective clothing when handling. Wash thoroughly after handling.

- First Aid - Eyes: In case of contact, flush with plenty of water for at least 15 minutes. Call a physician. Skin: In case of contact, flush with plenty of water for at least 15 minutes while removing contaminated clothing. If irritation develops, call a physician. Promptly wash contaminated clothing. Internal: If swallowed, drink one or two glasses of milk or water. Follow with milk of magnesia, vegetable oil or beaten eggs. Call a physician immediately.

- Do not reuse empty drum for other purposes. Liquid and solid residues are hazardous.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not discharge into lakes, streams, ponds or public waters unless in accordance with an NPDES permit. For guidance, contact your regional office of the EPA. Do not contaminate water by cleaning of container and equipment or disposal of wastes. Apply this product only as specified on this label.

STORAGE AND DISPOSAL

Keep container closed when not in use. Do not reuse empty container. Reseal and offer for reconditioning; or triple rinse and offer for recycling, reconditioning or disposal in an approved landfill.

FOR INFORMATION REGARDING INCIDENTS INVOLVING HUMAN AND ENVIRONMENTAL EXPOSURE, CALL (412) 777-8000 AND ASK FOR THE REGULATORY AND TRADE AFFAIRS DEPARTMENT.
