

LEEMOO

A Cleaner • Disinfectant • Deodorant • Fungicide

LEEMOO is a cleaner, disinfectant & sanitizer designed for general household and light industrial cleaning. When used as directed, LEEMOO will deodorize those areas which generally are hard to keep fresh-smelling, such as GARBAGE PAILS, SINK TOPS, and BATHROOM AREAS which are prone to odors caused by the growth of some microorganisms.

Active Ingredients:

Alkyl (60% C14, 30% C16, 5% C12, 5% C18) dimethyl benzyl ammonium chlorides	1.6%
Alkyl (68% C12, 32% C14) dimethyl ethylbenzyl ammonium chlorides	1.6%
Sodium Carbonate	3.0%
Inert Ingredients	93.8%

PHENOL COEFFICIENTS:

S. aureus	28
S. typhosa	18

WARNING:

KEEP OUT OF REACH OF CHILDREN

Causes skin irritation. May cause eye damage. Do not get in eyes, on skin, or on clothing. Harmful if swallowed. Avoid contamination of food.

FIRST AID

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash all contaminated clothing before reuse. If swallowed, do not induce vomiting. Drink large quantities of fluid, and call a physician immediately.

USE DIRECTIONS:

Use at 2 ounces (1/4 cup) per gallon. This product will provide 500 ppm quaternary to the use solution. This is enough for general disinfection, fungicidal activity against pathogenic fungi & deodorizing. If a pseudomonocidal product is required, then 3 ounces (3/8 cup) per gallon will be required.

For heavy soil, a precleaning step is recommended, before using LEEMOO.

For best results, use LEEMOO with a cloth or mop and apply to walls, floors, and similar hard surfaces. If used to sanitize food equipment or other food contact items, limit the level to 200 ppm of quaternaries 3 ounces (3/8 cup) to 2 gallons of water. Apply use solution so as to thoroughly wet all surfaces.
