Dr. Kevin J. Archer
 Product Development Manager
 CSI
 One Woodlawn Green, Suite 250
 Charlotte, NC 28217

Subject: SUPATIMBER CLEAR TYPE B
 EPA Registration No. 10465-38
 Application Date: September 28, 2003
 Receipt Date: October 02, 2003

Dear Dr. Archer :

The following amendment, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable.

Proposed Amendment

- Revision to First Aid Statement in accordance with PR Notice 2001-1
- Addition of Storage and Disposal Statement

General Comments

A stamped copy of the accepted labeling is enclosed. Submit three one copy of your final printed labeling before distributing or selling the product bearing the revised labeling.

Should you have any questions concerning this letter, please contact Wanda Mitchell at (703) 308-6345.

Sincerely,

Robert S. Brennis
 Product Manager (32)
 Regulatory Management Branch II
 Antimicrobials Division (7510C)

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC
ANIMALS**

DANGER. Corrosive. Causes irreversible eye damage or skin burns. Harmful if inhaled or if absorbed through skin. Do not get in eyes, on skin, or on clothing. Do not breath spray mist. Wear goggles or face shield. Wear protective clothing and rubber gloves. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. Remove contaminated clothing and wash separately before reuse.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish and aquatic organisms. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to the discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

PHYSICAL AND CHEMICAL HAZARDS

Combustible. Do not use or store near heat or open flame.

Manufactured by:

Chemical Specialist Inc.

**SUPATIMBER CLEAR
TYPE B
FOR THE PRESERVATION OF WOOD-BASED
PRODUCTS AGAINST BIODETERIORATION**

ACTIVE INGREDIENTS:

Tebuconazole, α -(2-4-chlorophenyl)ethyl)- α -(1,1-dimethyl)-1H-1,2,4-triazole-1-ethanol 0.5%
OTHER INGREDIENTS: 99.5%
TOTAL: 100.0%

Contains Petroleum Distillate.

**KEEP OUT OF REACH OF CHILDREN
DANGER
FIRST AID**

If In Eyes: Hold eye open and rinse gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If on Skin on clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

If Swallowed: Call a Poison Control Center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the Poison Control Center or doctor. Do not give anything by mouth to an unconscious person.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth if possible. Call a Poison Control Center or doctor for treatment advice.

NOTE TO PHYSICIAN: No specific antidote is available. Treat symptomatically. Probable mucosal damage may contraindicate the use of gastric lavage. Contains petroleum distillate - vomiting may cause aspiration pneumonia.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment

Phone 1-800-424-9300 (CHEMTREC) in case of emergency

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

IMPORTANT: Read the entire directions for use before using Supatimber Clear Type B.

APPLICATION

Supatimber Clear Type B may be applied by dip, pressure or double vacuum methods. Solution uptake and treatment conditions for each method should result in a 0.04 to 0.10 pct retention of active ingredient in the treated article. Treated wood should be used only for above ground uses that are continually protected from direct exposure to the weather.

For pressure treatment, follow the general requirements of American Wood Preservers' Association Standard C-1. For dip treatment, immerse wood completely until enough solution has been absorbed to meet the retention requirements given above. Use dip treatment procedures consistent with the equipment being used and standard treatment practices.

For double vacuum treatment, stack the wood in the treatment vessel so that it will remain submerged. Pull vacuum of -10 inches for five minutes. Fill the vessel, allow the pressure to return to atmospheric and discharge preservative solution. Pull vacuum of -20 inches and maintain for 20 minutes. Return pressure to atmospheric and drain preservative.

Supatimber Clear Type B can be tank-mixed with other pesticide products labeled for wood treatment. Read and follow the label of each tank mix product used for precautionary statements, directions for use, application rates, and other restrictions.

STORAGE & DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Store in a cool, dry place.

Pesticide Disposal: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the hazardous waste representative at the nearest EPA Regional Office for guidance.

Container Disposal: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill or by incineration or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.
