Subject: Ultra-Fresh FT-7
EPA Registration Number 10466-42
Your Notification Dated January 18th, 2007
EPA Received Date January 19th, 2007

The notification referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, FIFRA, as amended, to update the labeling to include the spray application of the product to the exterior of shoes and boots for the protection of shoes and boots, is acceptable.

The notification has been part of the permanent record of this file.

If you have any questions concerning this letter, please contact Karen M. Leavy-Munk at (703)-308-6237.

Sincerely,

A handwritten signature in black ink that reads "M. Swindell".

Expedited Review. In accordance with FIFRA Section 3(c)(3) (b)(i), my product is similar or identical in composition and labeling to: EPA Reg. No. <u>10466-42</u> Product Name <u>ULTRA-FRESH FT -7</u>	

Section - II

<input type="checkbox"/> Amendment - Explain below.	<input type="checkbox"/> Final printed labels in response to Agency letter dated _____
<input type="checkbox"/> Resubmission in response to Agency letter dated _____	<input type="checkbox"/> "Me Too" Application.
<input checked="" type="checkbox"/> Notification - Explain below.	<input type="checkbox"/> Other - Explain below.

Explanation: Use additional page(s) if necessary. (For section I and Section II.)

The currently approved labeling (the Technical Data Sheet), lists textiles, outer wear, hosiery and interlining fabrics for footwear as approved end uses. Per our discussions we request that a more specific allowance for the spray application of the product to the exterior of shoes and boots for the protection of shoes and boots (footwear). Since this is a treated article we should be able to say on the surface of shoes and boots. The reason for this is that when the shoes, which are manufactured overseas, are shipped to America they can develop mold while they are stored in the large shipping containers aboard ship.

Section - III

1. Material This Product Will Be Packaged In:				2. Type of Container

Ultra-Fresh FT-7

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Ultra-Fresh FT-7 is an additive designed for application to textiles and polymeric systems at 1-1.5% on weight of goods to prevent the growth of bacteria and fungi on these surfaces. The product can also be sprayed on the outside of footwear for protection against mold and mildew. Refer to the Technical Data Sheet for specific applications.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

Ultra-Fresh is a registered trademark of Thomson Research Associates Inc.

STORAGE AND DISPOSAL

Prohibitions: Do not store or transport in unlined metal containers. Do not contaminate with strong oxidizing or reducing agents. Do not contaminate water, food or feed by storage or disposal or cleaning of equipment.

Pesticide Disposal: Pesticides are acutely hazardous. Improper disposal of excess pesticide or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

Container Disposal

Metal Containers: Triple rinse (or equivalent). Then offer for recycling or reconditioning or puncture and dispose of in a sanitary landfill, or by other approved state and local procedures.
Plastic containers: Triple rinse (or equivalent). Then offer for recycling or reconditioning or puncture and dispose of in a sanitary landfill, or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

General: Consult Federal, state, or local disposal authorities for approved alternative procedures.

KEEP OUT OF REACH OF CHILDREN WARNING

PRECAUTIONARY STATEMENT:

Causes eye irritation. Do not get in eyes, on skin, or on clothing. Harmful if swallowed. Avoid breathing vapours. Wear protective clothing (goggles and face shield, rubber gloves) when handling. Use adequate ventilation. Wash thoroughly with soap and water after handling.

FIRST AID

If swallowed	<ul style="list-style-type: none"> • Call poison control center or doctor immediately for treatment advice. • Dilute by giving 2 glasses of water to drink. • Do not induce vomiting unless told to do so by the poison control center or doctor. • Never give anything by mouth to an unconscious person.
If on skin or clothing	<ul style="list-style-type: none"> • Take off contaminated clothing. • IMMEDIATELY flush effected area thoroughly with water for 15-20 minutes. • Call a poison control center or doctor for treatment.
If in eyes	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for treatment advice.

NOTE TO PHYSICIAN: Probable mucosal damage may contra-indicate the use of gastric lavage.
