 TO ATTACHED

SAN-DET is a cleaner, disinfectant, and sanitizer and is designed for institutional use, such as HOSPITALS, NURSING HOMES, SCHOOLS AND RESTAURANTS where house-keeping will be of prime importance in controlling the hazard of cross-infection. Hard surface sanitization can help in this control and SAN-DET can provide the assurance you need in this area when used as directed.

WARNING

Keep out of reach of children. Causes eye and skin irritation. Do not get in eyes, on skin or on clothing. Harmful if swallowed. Avoid contamination of food.

FIRST AID

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash all contaminated clothing before reuse. If swallowed do not induce vomiting. Drink large quantities of fluid and call a physician immediately.

AQUA SAN-DET

Cleaner - Disinfectant - Deodorizer - Fungicide
 Designed for Hospital and Institutional Use

AQUA PRODUCTS, INC.

1051 MAGNOLIA AVENUE, CAMDEN, N. J. 08103

TELEPHONES: (609) 966 - 3553 (215) MA 7 - 5721

USE DIRECTIONS:

SANITIZATION

For sanitization of previously cleaned food equipment or other contact items, limit the level to 200 ppm (2.8 oz. per 5 gals.) of quaternaries. NO RINSE REQUIRED. Phenol Coefficient guaranteed minimum Staph aureus 44, Salmonellatyphosa 28. For heavy soil or organic matter, a pre-cleaning step is recommended.

DISINFECTION

Use at 2 ounces per gallon. This product will be effective against Pseudomonas aeruginosa PRD-10 at this level. This has been substantiated by the AOAC Use Dilution Confirmation Test. At this level, the product is fungicidal against pathogenic fungi. For best results, use SAN-DET with a cloth or mop and apply to walls, floors, and other hard surfaces.

Rinse empty container thoroughly with water and discard.
