Dear Mr. Lundal:

Subject: Revised Labeling - Revise Storage Directions
Rapid Kill #1
EPA Registration No. 10583-10
Your Submission Dated August 31, 1995

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable with the following provisions:

- 1) Correct the spelling at the end of the chemical name for the active ingredient to read "...pyrazinedium...".
- 2) Add a referral statement to the front panel to refer users to precautionary statements elsewhere on the labeling. The statement should appear immediately after the signal word and "KEEP OUT OF REACH OF CHILDREN" statement.
- 3) Correct the typographical error appearing at the end of the Storage statement to read "...from heat or open flame."
- 4) Revise the disposal statements to read as follows:

"PRODUCT DISPOSAL: Securely wrap in several layers of newspaper and discard in trash."

"CONTAINER DISPOSAL: Do not reuse container. Rinse thoroughly before discarding in trash."

DK: 7505C; 305-7546: FHB/PM23 CONCURRENCES

SYMBOL ▶	7505C							
SURNAME ▶	D. KENNY							
DATE ▶	11/30/95							

A stamped copy is enclosed for your records. Please submit one (1) final printed copy for the referenced label, incorporating the above changes, before releasing the product for shipment.

Sincerely yours,

Joanne I. Miller

WARNING

Keep out of reach of children. Causes eye and skin irritation. Do not get in eyes, on skin or on clothing. Harmful if swallowed. Avoid contamination of food.

FIRST AID

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothes before reuse. If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution or if these are not available, drink large quantities of water. Avoid alcohol. Call a physician.

ENVIRONMENTAL HAZARDS

This product is toxic wildlife. **Do not apply** directly to water. **Do not apply** under windy conditions which may result in spray drifting onto desired ornamentals or grass lawns.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry area away from heat or open flame.
PRODUCT DISPOSAL: Do not reuse empty container. Rinse thoroughly before discarding "Securely wrap original container in several layers of newspaper and discard."

WARRANTY

General Control Co. warrants that this material conforms to the chemical description on the label and is fit for use as herein described.

RIGHT SIDE PANEL

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in any manner inconsistent with its labeling.

PLEASE READ DIRECTIONS CAREFULLY

WHERE TO USE: Use in most areas of the residence wherever weeds of creeping bermudagrass present a problem (except in lawns). For best results, spray weeds in the early growing stage when moisture and high temperature are promoting vigorous growth.

HOW TO APPLY: Shake contents thoroughly. Turn nozzle to open and adjust to proper spray-from mist to pencil stream. Point container at weed and spray. Use just enough spray to completely cover foliage. Not necessary to soak. This applicator will assist you in obtaining accurate spot weed control easily. Kills on contact only. Accidental spotting of desired plants may be washed off or pruned at time of spraying.

TYPE OF CONTROL: Rapid Kill #1 kills above ground weed growth. Broadleaf weeds and grasses are browned out and destroyed. Respray perennial weeds and Bermudagrass patch when green reappears

COVERAGE; Depends upon the amount of weeds present; control may vary from 500 to 5000 square feet per gallon of Ready to Use spray.

CONTROL READY-TO-USE RAPID KILL #1 is a special formulation designed to provide the homeowner with effective control of annual and perennial broadleaf weeds and grasses. One application will brown out most surface growth.
