

JUL 27 1984

Mr. Mark O' Malley
General Control Company
3334 East Pennsylvania Street
Tucson, AZ 85714

Dear Mr. O' Malley:

Subject: Boot Hill (Quick Kill Residential Insecticide)
EPA Registration No. 10583-11
Final Prints submitted June 4, 1984

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable. A stamped copy is enclosed for your records.

This confirms the telecommunication between you and myself on June 25, 1984, regarding the incorrect EPA registration number on the labels which were submitted June 4, 1984. For the record, we agreed to your using pressure sensitive labels to correct the EPA registration number. The EPA registration number noted on the labels which were submitted June 4 is 1058-11. The correct EPA registration number is 10583-11. This correction must be made prior to your releasing the product for shipment.

This also acknowledges the receipt of your child-proof closure certification statement per our request of October 5, 1982. This information has been made a part of the records for this registration.

Sincerely yours,

Jay S. Ellenberger
Product Manager (12)
Insecticide-Rodenticide Branch
Registration Division (TS-767)

PRECAUTIONARY STATEMENTS
Hazards to Humans and Domestic Animals
CAUTION

May be harmful if swallowed, inhaled or absorbed through skin. Avoid breathing spray mist and provide adequate ventilation of area being treated. Avoid contact with skin, eyes and clothing. In case of contact immediately flush skin and eyes with plenty of water. Wash thoroughly with soap and water after handling. If poisoning occurs, get prompt medical aid.

NOTE TO PHYSICIAN: Chlorpyrifos is a cholinesterase inhibitor. Treat symptomatically. Atropine, by injection is antidote of choice. Do not apply when food processing is underway. In the home do not spray food handling surfaces.

Remove pets, birds, and cover aquariums before spraying. Do not allow children or pets to contact treated surface until spray has dried.

STATEMENT OF PRACTICAL TREATMENT

IF IN EYES: Flush with plenty of water. Get medical attention if irritation persists.

IF ON SKIN OR CLOTHING: Remove contaminated clothing. Wash skin with soap and warm water. Get medical attention if irritation persists.

IF INHALED: Remove to fresh air if effects occur, and call a Physician.

Physical Hazards

Do not use or store near heat or open flame.

DIRECTIONS
It is a violation of the law to use this product in a manner inconsistent with the label. **PLEASE READ COMPLETE LABEL AND USE DIRECTIONS.**

The most effective pest control can be obtained by using the BOOT-HILL Extremist. BOOT-HILL Extremist using the attached label for best results. See attached label for more information.
