D.O.C.

Designed for Hospital and Institutional Use

D.O.C. is a cleaner, disinfectant, and sanitizer designed for institutional use, such as HOSPITALS, NURSING HOMES, AND SCHOOLS, where housekeeping will be of prime importance in controlling cross-infection. Hard surface sanitization can help in this control and D.O.C. can provide the assurance you need in this area, when used as directed.

WARNING: KEEP OUT OF REACH OF CHILDREN.

Causes eye and skin irritation. Do not get in eyes, on skin or on clothing. Wear goggles, gloves and face shield. Harmful if swallowed. Avoid contamination of food.

FIRST AID: In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash all contaminated clothing before reuse. If swallowed, do not induce vomiting. Drink large quantities of fluid and call a physician at once.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage. Measure against circulatory shock, respiratory depression and convulsion may be needed.
