The following is the findings for the Chemistry Review:

1. The storage stability study, to meet registration requirements, is projected to be completed in 18 months.
2. The Cas Registration Numbers were omitted in item 10 of the CSF. These are required for the positive identification of ingredients utilized in the formulation.
3. Item B of the CSF was not completed as required. It should read "page 1 of 1".
4. All other elements of the CSF were acceptable.
